# Dulles Promises Full U. S. Aid to Allies as Planned

## U. S. POLICY UPROAR CUTS MIDEAST TRIP

By JOHN M. HIGHTOWER

Washington, (P)—President Eisenhower has directed special ambassador James P. Richards to end his tour of Middle Eastern countries without visiting Egypt, Syria and Jordan, where the Eisenhower Mideast program has become bitterly controversial.

The State Department announced today Eisenhower has asked Richards to come home "as soon as feasible to confer with him on preparations for the new mutual security bill."

He will arrive in Washington May 8 and attend a meeting of congressional leaders on foreign aid at the White House May 9. Meanwhile, he will visit Israel, Tunis and Morocco. That will bring to 15 the number of nations he has toured for the declared purpose of explaining the Eisenhower anti-communist program and offering U. S. assistance.

There have been reports that Egypt and Syria, both friendly to Russia, would be willing to receive Richards. However, some officials here have thought they might use his presence as an excuse for anti-American demonstrations and incidents.

King Hussein of Jordan is pro-Western and has been supported by the United States in his resistance to Egyptian-Syrian-Soviet pressures to impose on Jordan a government of extremists. But Hussein has felt it necessary to disavow any interest in the Eisenhower program and therefore to state that Richards would not be asked to Jordan.

Because of the switch in plans, Richards canceled a proposed trip to Bonn, Germany, to see Secretary of State Dulles, who is attending a North Atlantic Council meeting there.

Officials concede privately there is no urgent need for them to confer anyway. The Bonn arrangement was actually a device for getting Richards out of an embarrassing situation—he had been waiting in Ethiopia for a clarification of the Jordan-Syrian-Egyptian situation.

The original plan was for former Rep. Richards to visit 18 countries. The new schedule calls for him to return after visits in Tel Aviv, where he will arrive tomorrow; Tunis, May 4; and Rabat, Morocco, May 6.

## Wreck Laid to Human, Mechanical Failures

Washington, (P)—The Interstate Commerce Commission says a passenger-freight train crash Feb. 28 at Ripley, N. Y., was caused by a combination of human error and failure of an automatic train stopping device.

Three trains collided at a cross-over switch in an area controlled from Erie, Pa. The passenger train engineer was killed and one passenger hurt.

The ICC said yesterday the freight train was proceeding over the crossover according to signals and the passenger train's speed had been cut from 68 to 28 miles an hour too late.

The Government agency said the passenger train crew had been unable to see a series of signals because of the glare of an afternoon sun.

The automatic device, which the ICC report said was rusted and short circuited, should have stopped the passenger train before it reached the crossover.

## Barbershoppers Invite Public To 'Harmony House' May 10-11

Warren Chapter Barbershoppers announce their public "Harmony House" opening will take place next Friday and Saturday, May 10 and May 11. The house is located on Lookout Street opposite the head of Pioneer street.

This three-bedroom, ranch-style "Northern Home" was built and is being sold by the Barbershoppers to help raise funds needed to fly 45 men to Los Angeles in June to represent "Seneca Lands District" of the Society for Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. in international competition.

More details will be announced next week.

## State Legislature Passes Measure To Put Veterans' Bonus on November Ballot

Harrisburg ((P))—The legislature today approved finally the placement of a Korean bonus referendum on the November ballot.

The referendum to amend the constitution would authorize the state to borrow 150 million dollars for payments to more than 300,000 Pennsylvania veterans of the Korean conflict.

Enabling legislation, fixing the exact bonus payments and establishing the paying procedure, also would have to be enacted before payments could begin—if the voters approve. An enabling bill is already before the Legislature.

The Senate authorized putting the question on the ballot by a 49-0 vote without debate. Nineteen Republican and nine Democratic senators were in their seats at the time the vote was taken. The remainder were recorded in favor of the measure by consent.

The Korean bonus proposal was approved by the 1955 Legislature, thus clearing the way for its submission to the people this year.

The bonus question was only one of six plans to amend the constitution that were before the Senate for action—a record number for one day in recent years.

By the same unanimous vote, without discussion, constitutional amendments to provide for annual sessions of the Legislature and absentee voting also were passed.

The absentee voting measure also will appear on the November ballot but the annual sessions bill must go before the next Legislature first.

In quick order the Senate also approved 4-0 a proposed constitutional amendment that would drop the minimum voting age from 21 to 18 in Pennsylvania and grant special tax privileges to owners of private forest reserves.

Final action on still another proposal dealing with voting privileges for people who move less than 60 days before an election was put off until next week.

The six constitutional amendments called for:

Allowing absentee voting if a citizen is unable to go to the polls because of being ill or out of town on business.

Annual sessions of the legislature instead of once every two years and limiting the meetings in even-numbered years to action on state finances only.

Special tax privileges to owners of private forest reserves.

Reducing the minimum voting age from 21 to 18.

Doctor Is Charged With Aiding Addicts

Pittsburgh ((P))—A physician for the Pittsburgh Board of Education is charged with illegally prescribing narcotics for at least 42 addicts.

Dr. Samuel R. Cohen, 63, was arrested yesterday in his North Side office by a city detective and a state narcotics agent. They said he sold pre-dated prescriptions to an addict for \$33.

Police said Cohen, who also is a physician for the State Dept. of Public Assistance, has been under investigation since January.

Cohen told reporters later: "A doctor has certain privileges for prescribing narcotics. Most addicts have been to hospitals and have had cures which did not last. The result is that they are in physical pain. If a doctor doesn't give them narcotics, they will go outside and steal them."

taking over May 6 are Boyd Sanden, vice president; Elmer Bloom, treasurer; Bob Dietsch, corresponding secretary; and Mac Sears, recording secretary.

Foremost in the minds of all area Barbershoppers at present is the Regional Quartet Contest and District Chorus Contest to be held in Olean, N. Y. this Saturday.

Warren Chorus will be guests at the contest and are ineligible to repeat as presiding chorus champions. A new district chorus is to be selected 1957-1958 champ. Representing Warren in Regional Quartet Competition is a recently formed quartet called the "A. Caffas". Also at the contest, two quartets shall be chosen to accompany Warren Chorus to Los Angeles.

More details will be announced next week.

## WHY DOESN'T TELEPHONE ANSWER?

Vienna ((P))—A Bulgarian newspaper has chided parents for giving children "ugly, absurd and even indecent first names."

The Communist paper Vecherni Novini says girls are being named Gramophone, Telephone, Cashier and even Prostitute. These come out of Gramophonia, Telefonka, Cassynerca and Prostituta in Bulgarian.

Moscow papers recently criticized parents for giving their children such "detestable names" as Electrification, Combine and Detector, names which are an outgrowth of the Communists' own propaganda.

## Warren's Request For Sewage Plant Funds Certified

Harrisburg ((P))—The State Sanitary Water Board today certified several areas to receive federal aid for financing construction of sewage treatment plants.

The board sent its recommendations for allocations to the U. S. Public Health Service. The money will come from a 50 million dollar fund set up by Congress to assist municipalities and local authorities in building treatment facilities.

The recommended allocations include: Oil City \$250,000; Berwick \$250,000; Warren \$250,000; Jenn. Twp. \$250,000 and a separate grant of \$196,950 to the Allegheny County Sanitary Authority; Elizabeth \$190,800; Galeton \$63,149; White Haven \$59,175; North East \$18,365.

## Gen. Duke Is Listed as One Of Derby 10

By ORLO ROBERTSON

Louisville, Ky. ((P))—Ten 3-year-old colts, including the injured Gen. Duke from Mrs. Gene Markey's Calumet Farm, today were entered for the 83rd Kentucky Derby which will be run over 1 1/4 miles at Churchill Downs Saturday.

Bold Ruler, long-striding dark bay colt from Mrs. H. C. Phipps' Wheatley Stable who moved into the favorite's role at 8-5 yesterday when Gen. Duke turned up with an injured left front foot, was the first horse entered.

If the additional \$1,250 starting fee is paid on all 10, the race will have a gross value of \$153,300 with a net of \$109,200 going to the winner.

Bold Ruler, with whom jockey Eddie Arcaro will seek his sixth derby triumph, actually was entered yesterday by his 82-year-old trainer, Sunny Jim Fitzsimmons, but announcement of the entry was not made until this morning.

A couple of hours before entering the Calumet pair of Gen. Duke and Iron Liege, trainer Jimmy Jones said "We still may not know whether we can run the General until right before post time." A horse can be scratched any time until 45 minutes before post time.

Jones, however, didn't name a rider for either of his horses as he beat the 9:30 a. m. deadline by five minutes. But if Gen. Duke starts, Willie Hartack is expected to be in the saddle with Dave Erb up on Iron Liege. In event the General doesn't start, Hartack will ride Iron Liege.

Probably for the first time in derby history, a horse was entered by telegram when the \$250 fee was wired by John L. Appelbaum, Canadian owner of Minister Jive. The colt was flown in from New Jersey today.

Other entries were Travis M. Kerr's Round Table, Ralph Lowe's Gallant Man, Clifford Luskay's Federal Hill, T. A. Grissom's Shan Fac, Mrs. Ada L. Rice's Indian Creek, and W. S. Miller's Better Bee.

MITCHELL DIES

Los Angeles ((P))—Grant Mitchell, 82, veteran actor who made his stage debut in 1902 and appeared in scores of stage plays and movies, died yesterday. He was born in Columbus, Ohio.

## CARRIER TASK FORCES AGAIN IN A DISPUTE

By ELTON C. FAY

Washington, (P)—Secretary of the Air Force Donald Quarles says that a single hydrogen-headed guided bomb launched by a plane could knock out a naval task force.

And Air Gen. Nathan Twining claims that high-level attack by a single squadron of heavy or medium jet bombers dropping nuclear bombs could produce the same result.

Publication today of testimony by top Pentagon leaders before a House Appropriations subcommittee revealed that committee questioning stirred the Air Force and Navy into renewed argument about the vulnerability of carrier task forces.

Charles Thomas, until recently secretary of the Navy, and Adm. Arleigh Burke, chief of naval operations, testified that a carrier force would be difficult to locate in the open sea. Even if it were located, they said, the missile and counter-missile defenses of the force would give it a high degree of protection from attacking planes.

The testimony was given in January and February—Some time before Quarles was named deputy secretary of defense and Twining was chosen chairman of the Joint Chiefs of Staff.

Quarles said that if bombers with an air-to-surface guided missile having a 50-to-100 mile range approached a carrier task force, "I do not know of anything that could be done to prevent that missile, if it were armed with a megaton warhead, from knocking out a carrier task force, depending on how the force was deployed."

When Twining was asked how ships maneuvering could be attacked, he replied:

"With bombers using atomic weapons."

How close would the bombs need to come?

"A couple of miles. A 'near miss' works in this case. You can miss them quite a ways and still sink them or put them out of commission."

Burke said the use of radar by reconnaissance planes would give away the attempted attack and that the enemy would sustain "terrible damage" from the aircraft and missile defenses of the task force.

The Navy also received support from two other powerful quarters—Secretary of Defense Charles E. Wilson and Adm. Arthur W. Radford, present JCS chairman. When Chairman Mahen (D-Tex) asked about the Defense Department's recommendation for a 310 or 314 million dollar appropriation for an atomic carrier, Wilson replied that "we thought it was the right thing to do," and added:

"You may say that a big carrier is a good target. But what about an air base?"

Radford insisted that "the problem of finding a carrier striking force is still going to be difficult."

## Irregulars Snatch Five Pasha Children

Rabat, Morocco, ((P))—Five sons of the late Thami el Glaoui, once powerful Pasha of Marrakech, were kidnapped yesterday. Their vast, rich palace was taken over by soldiers of the irregular Moroccan army of liberation.

The kidnapping and invasion of the palace brought to the surface again long-simmering resentment between loyal followers of Sultan Mohammed V and El Glaoui's friends.

## Warren Group Told That No Decision on Route 6 Can Be Made Until Surveys Finish

C. D. Curtis, commissioner of the U. S. Bureau of Roads, stated in Washington, D. C., yesterday "no decision has yet been made on which highway, Route 6 or the so-called Keystone Shortway, will be included in the Interstate System."

The commissioner's statement, with further explanation, was made to a group of Save Route 6 Committeemen who called upon him for clarification of the battle being waged by exponents of the two stretches of highway.

Among these were Charles R. Tranter, executive vice president of Warren Area Junior Chamber of Commerce and active member of the Save Route 6 Committee; Meadville, Erie, and Bradford, all in Washington to attend session of the United States Chamber of Commerce convention.

## CONCERT TICKETS ON SALE TOMORROW

With a reminder their annual Spring Concert will be presented in Beatty Junior High auditorium May 16. A Cappella Choir members of Warren High School announce tickets for the event will be available from any member tomorrow. The program will include a varied selection of choral music designed to appeal to all tastes.

## Government Takes Another Step To Start Kinzua Dam

Controversial Kinzua Dam has inched a little closer to a big lake the past few weeks as five United States District Army Engineer surveyors moved into the area to begin preliminary parcel mapping which will be used by the government when it estimates costs of property which will be inundated.

"Buck" Weaver, head of the surveying team out of Pittsburgh U. S. Engineer office in Pittsburgh, said this morning that he and his men expect to be in the area for two years mapping and cataloging all the land this side of the disputed Seneca reservation.

"However," he said, "if Congress fails to appropriate the next \$1,000,000 we will pull out July 1st."

The new men are working with crews still engaged in making test borings at the proposed dam site. They are also surveying up at Kinzua.

Once actual property boundaries have been finalized government appraisers will be in to assess the buildings, grounds and mineral rights. Said Weaver: "The government will pay the going rate, and maybe a little bit more. However, there are always a few people who won't accept the government's offer and who have to be moved by court order after condemnation proceedings."

Diplomat News

Washington, (P)—The Senate Foreign Relations Committee today approved by a 9-6 vote the nomination of Scott McLeod to be ambassador to Ireland.

The action came at the committee's third straight day of consideration of the nomination. McLeod now is State Department security officer.

There had been speculation over the number of committee Democrats who would oppose McLeod's nomination, which now goes to the Senate for action.

A committee source said all six votes cast against McLeod in the committee were by Democrats.

Washington, (P)—President Eisenhower today nominated career diplomat Wilson C. Flake of Peloton, N. C., as the first U. S. ambassador to the new African republic of Ghana.

Flake, 51, now is counselor at the U. S. Embassy in Rome. Previously he served as counselor at Pretoria, South Africa, and as executive director of the State Department's bureau of Far Eastern affairs. He has been in the diplomatic service since 1929.

REACH 100,000

Erie ((P))—Registration figures in Erie County are above the 100,000 mark for the first time in history. They show 52,911 registered Republicans, 48,647 Democrats, and 986 miscellaneous. County population is nearly 200,000.

In a call from the capital city this morning, Mr. Tranter told the Times-Mirror "Commissioner Curtis explained the Pennsylvania Department of Highways has not yet submitted all information on the two routes required by the federal government and a definite decision will be made only after compilation of this data and costs of construction for the two roadways."

However, Mr. Curtis expressed to the delegation the hope that such decision "might be made within this fiscal year."

Continuing the discussion, the Commissioner said "it would not be possible to build both the Shortway and a four-lane north-south road from Erie to Sharon, which has been suggested recently."

## Beck and Duff Part As New Hearing Set

Washington ((P))—Teamster President Dave Beck faces a new round of questioning by Senate investigators next week without the legal services of former Senator James H. Duff of Pennsylvania.

Chairman McClellan (D-Ark.) announced last night he has summoned Beck to appear May 8 for another public hearing before the special Senate committee investigating alleged racketeering in labor unions and industry. McClellan said the group "would receive further derogatory evidence" against the Teamster boss.

Beck and Duff agreed they had parted company. But they differed on what caused this.

Duff said he had "withdrawn" from Beck's employ. Beck said that he was dropping Duff and his law firm because the former GOP senator would not appear with him at the new hearing next week.

At that time, Beck repeatedly invoked the Fifth Amendment, pleading it might tend to incriminate him if he testified whether he had appropriated some \$320,000 of union funds for his personal use. Beck noted he was the subject of an income tax probe.

The Teamster chief irritated some members of the committee by referring again and again to Duff as his legal adviser. The senators said they were not impressed.

When Beck hired Duff before the March hearing, Duff said he would not appear with the Teamster president because the inquiry was based on information gathered in part while Duff still was in the Senate. He was defeated for re-election last year.

Last night, Beck issued a statement saying that Duff would not appear with him at the hearing next week and that "this has necessitated my disassociating Senator Duff and his law firm from representing me."

## GOP Caucus To Examine Case for More Fish Fee

Harrisburg ((P))—The State Fish Commission president held today that "harmful outbacks" would be made in the commission program unless the legislature approved a "substantial" boost in fish license fees.

"The point in the fishing license situation is that unless a substantial increase is granted . . . there will have to be cutbacks that will harm fishing in Pennsylvania," said President R. Stanley Smith.

Rep. Allen M. Gibson (R-Warren), Republican assistant house floor leader, said the GOP caucus would examine on Monday a bill for fee increases.

The bill introduced by Rep. Robert H. Breen Jr. (R-Centre), calls for boosting the present \$2.50 license fee to \$4. However, he said a tentative agreement had been reached to boost the fee to \$3.50.

## 2ND PROTEST ENTERED

Suez, Egypt ((P))—The American tanker Ivy entered the Suez Canal from its southern end today and became the second American ship to use the waterway since it closed last October. The 10,530-ton Ivy paid \$8,833 transit tolls and dues to Egypt under protest. The tanker is owned by the Ivy S. S. Co., and registered from Wilmington, Del. The Ivy was loaded with Persian Gulf oil.

## NATO MINISTERS ARE GIVEN ASSURANCES BY PRESIDENT TO OFFSET BRITISH CUTS

By JOSEPH E. DYNAN

Bonn, Germany ((P))—The United States assured its Atlantic allies today it intends to carry out 1957 defense plans in full.

Secretary of State Dulles told the foreign ministers of the North Atlantic Treaty Organization he was conveying to them the personal decision of President Eisenhower, as given Dulles before he left Washington.

Dulles said Eisenhower instructed him to tell the NATO Council that no changes are contemplated in American plans as disclosed to NATO last December. This means the United States will not follow the recent example of Britain, which is cutting its forces in Europe and will reduce its armed forces by 50 per cent in the next five years.

The NATO ministers opened a three-day session with a brief public meeting at Bad Godesberg, followed by a closed session at the West German Foreign Ministry. Dulles spoke to the closed session and his statements were reported by persons who attended.

Dulles referred to fears that Britain's decision might touch off a chain reaction among the other NATO allies. He said this was not so in the case of the United States, although his country, like Britain, is placing increased reliance on the deterrent powers of atomic weapons.

Dulles said Russia is in the midst of a propaganda campaign to prevent the West from improving its defensive position. "It would be folly to weaken our defenses only on the basis of Soviet promises," Dulles was quoted as saying. He said there must be adequate control and inspection to verify and check the fulfillment of Russian disarmament promises.

The speaker at the opening session was West German Chancellor Konrad Adenauer, who challenged the Soviet Union to match West Germany's pledges of 1954 not to produce atomic, bacteriological or chemical weapons, and to accept strict and permanent control of all armaments.

"I am convinced that every nation would follow the Russian example and the danger of atomic war would be a thing of the past," Adenauer told the opening session (Turn to Page Nine)

## Police Chiefs Fail To See Eye to Eye; Smack Each Other

Titusville ((P))—Police Chief Edward Caudell of nearby Oil Creek Township chased a speeding motorist into the borough of Hydetown and halted him. While he was talking to the motorist, Police Chief Theodore Regel of Hydetown came on the scene and, according to Caudell, claimed Caudell had no power to make an arrest in Hydetown.

There are varying reports of what happened afterwards but Regel claimed Caudell struck him.

Regel went to an alderman and swore out a warrant for Caudell's arrest on a charge of aggravated assault and battery.

Caudell went to another alderman and had Regel arrested on charges of obstructing an officer in the execution of his duties.

Both officers were released on their own recognizance pending hearings tentatively scheduled for Saturday.

Oh, yes, the motorist—he wasn't charged with anything. Caudell said he had stopped him merely to warn him to be more careful.

## Civic Club Will Hear Talk on Benefits of Seaway to Area

Members of the North Warren Civic Club are looking forward to one of their most interesting and enjoyable get-togethers on the occasion of the annual banquet which will be held in the Community House there Monday at 6:30 o'clock.

Widespread interest has been aroused, not only in the North Warren sector but in the entire area, in the announced speaker appearance at the yearly gathering of William B. Lawless, Jr., Council President of the City of Buffalo, who will talk on "The St. Lawrence Seaway and Its Benefits to This Area."

The Seaway, which will open the Great Lakes to oceanic vessels, is expected to revolutionize transportation facilities in the lakes area and leaders of communities within easy reaching distance of the new channel of transportation foresee a far-reaching economic development through the project.

Swimming Pool at YMCA Is Popular Spot

Enjoyed by over 1000 swimming groups in the last few months, the YMCA pool recorded an attendance of over 50,000 for the year. These groups included classes for boys, girls and women, and many open periods for men. Special classes were held for handicapped children, Boy Scouts, Y-Teens, church groups, and instruction in life saving was also given. At the annual banquet of the YM this evening, reports will be made by some of the children of these classes who will tell in their own way how much they enjoy the pool. Above photo shows a beginners class in 1951. Stokes Studio photo.

Comedian Jack Benny Wins a Review on Order Barring Film

Washington (AP) — Comedian Jack Benny has been granted a Supreme Court review of an order barring use of a filmed parody on the copyrighted motion picture, "Gaslight". The United States District Court in Los Angeles issued the ban on the ground that a parody or burlesque must be treated no differently from an ordinary appropriation of copyrighted material. The District Court held infringement exists if there is a "substantial

taking" of material. Penny's parody, intended for TV use, was entitled "Autolight." The order against its use was issued on request of Loew's, Inc., holder of the copyright on the movie "Gaslight," and Patrick Hamilton, British author of the play "Gas Light." Joining in the appeal to the high tribunal were CBS and the American Tobacco Company, a sponsor of Benny's programs. The appeal said the case raised for the first time in the United States or England legal questions which underpin the entire art of parody and burlesque. "The true burlesque or parody is never a substitute for the original," the appeal said, "but rather, through transformation of the tone and key of the original, it is an independent work of art. It is this art form, not a wholesale copyright, which is entitled to the broadest right of fair use."

Half-Way Mark Is Reached in Cancer Society Fund Drive

The half-way mark has been reached in the fund drive of the American Cancer Society. James Wright, County Campaign Chairman, said today. The worker's kits are slowly being returned and to date \$3,722.47 has been received, toward the goal of \$11,000, for this year's Crusade. Included in the figure is a total of \$392.47 which the Y-Teens collected in their Tag Days sponsored by the Business and Professional Women. Mr. Wright wishes to remind any who have been missed by the House-to-House workers that they may mail their contributions to the Warren County Unit, American Cancer Society, Box 685, Warren, Pa.

Local B'Nai B'rith Host to Meeting of Northwest Council

Reporting on the Northwestern Council meeting held here last Sunday, local B'Nai B'rith officers indicate there were over 40 delegates and members in attendance from Erie, Shenango Valley, Oil City, DuBois, Bradford and Warren lodges. A six o'clock banquet at Beatty Junior High School cafeteria was attended by 82 guests, with H. Adlerstein, Buffalo, N. Y., as guest speaker. During the evening, officers of the local lodge and the Council were installed by W. Nathan, of Farrell.

DADS OF FSV START CAMPAIGN

Dads of Foreign Service Veterans, Post 119, will celebrate their fifth anniversary by beginning an extensive new membership drive during the month of May. Any father whose son or daughter has the right to join the only veteran organization in the U.S.A. that says they must be an overseas veteran, which gives the father the right to belong to the "only Dads' fraternity" that offers the exclusive fellowship of other Dads whose sons and daughters have earned the right to wear a campaign service ribbon. This organization is then Dads of Foreign Service Veterans, sponsored nationally by VFW. Every Dad who can qualify is urged to join, as their support is necessary to reach the objective. District Attorney Kornreich Rights an Unintended Wrong

(Editor's Note: This self-explanatory letter is reprinted for District Attorney Myer Kornreich to clear up any misconceptions which may have lingered in the minds of readers who read the article yesterday about "The Great Court House Appeal.")

Every single payment is evidenced by a check and voucher receipted by the payee, and a periodic report is filed with the Commissioners showing item by item. This system is not new but has been followed the last 30 years and has been approved by the last three Judges of Warren County. I wish to point out this is authorized by the Law which reads: "All necessary expenses incurred by the District Attorney or any officer directed by him in the investigation of crime and the apprehension and prosecution of persons charged with or suspected of the commission of crime, upon approval thereof by the District Attorney and the court, shall be paid by the county from the general funds of the County." In a case decided in Cumberland County, this law was interpreted to mean that the District Attorney decides upon the necessity of incurring the expense, and not the Commissioners. The only check upon his discretion is that the court must approve it and the court would only refuse to approve in case the expenditure was clearly improper. As was pointed out in your article, the present controversy is strictly between the Commissioners and the County Auditors. The Commissioners contend that the audit as filed and published does not comply with the law as to itemization. Whether it does or not will eventually be decided by the Court.

## Penn Laurel Motel Nears Completion

Penn Laurel Motel located beside American Legion on Pennsylvania avenue, west, was moving closer to completion in fine style early this week as excellent construction weather hurried the project along. Contractor John E. Parsons scratched his head and figured the job would be done by mid-June, barring the unforeseen. This west unit is ready for plastering upstairs this week. The above section will have 18 rooms upstairs, 18 down, with six more above the restaurant in the east building now well underway. Each unit will have a television set, year-round weather conditioning, telephone, tub, shower, wall to wall carpeting. All rooms upstairs in this unit will be singles, leading off a central corridor. Downstairs, doors in the parking side will permit 1-, 2-, 3- or 4-unit combinations, according to co-planners Orrie Beebe and Dan Dodge.

## Ample Supplies of Best-Liked Foods in Prospect Next Month

New York — May is a lovely month, with spring in full bloom, new crops emerging, and a wide variety of delicious foods once again reappearing on Northeast Markets after the long winter hibernation. Ample supplies of many of the best-liked and basic foods will be especially inviting to homemakers, both because of

their importance in family menus and because they will be economical, the U. S. Department of Agriculture reports. Beef will be top buy of the month, with supplies at the peak of the season. There will be more beef available this May than last, particularly of the choice grades coming from the grain-fed cattle

now being marketed—perfect for tender steaks, roasts, and other beef favorites.

Another top feature for May will be eggs. Egg production is still breaking records. With prices continuing at attractive levels to consumers, egg uses can be multiplied for all occasions and in many different recipes.

Potatoes will be an excellent choice for May, with supplies of new potatoes greater than last year and large stocks of fall crop potatoes still with us. Serve potatoes with your beef, eggs, and turkey dinners.

Use milk and other dairy products, because supplies will be near their peak for the season. What could be more inviting than ice cream or whipped cream piled high on strawberry short cake served with a tall glass of cold milk.

Look for good buys in frozen strawberries from last year's abundant crop. For a real treat try your hand at fragrant strawberry pies or between cake layers.

Two popular favorites, canned freestone peaches and canned purple plums, will make welcome additions to your shopping basket. Last fall's record crops will be available as mark... "specials" in May. Stock your pantry shelves for use in cottage cheese salads, desserts or with dry cereals.

Add peanuts and peanut butter to your list of "musts" for May. They'll go well in cookies, sandwiches, salads, or nutrition-packed snacks.

Large supplies of frozen halibut will also be on hand. This delicious fish would highlight any fine luncheon or dinner, and will be economical.

**Variety of Booths  
To Provide Food  
At Folk Festival**

Program committee members of Warren-Forest Council of Girl Scouts extend a cordial invitation to all participants in the Folk Dance Festival May 11, starting at 1:00 p. m. at War Memorial Field, to "come and have lunch".

There will be several booths where food items may be purchased, including coffee, hot and cold sandwiches by Russell and Lander troops; ice cream by Mrs. Shirl Glass' Troop 73; potato chips and pretzels by Sheffield troops; soft drinks, the camp committee.

Youngville troops will be selling jars of chili to take home; Marienville girls will be offering balloons; Mrs. Margaret Alexander's Troop 87 will have bazaar articles for sale.

Troops having booths at the festival should be at War Memorial Field at 11:00 a. m. to get set up for operation between 11:50 and 12:50. They will be closed during the program but will reopen at its completion.

Should there be other troops or neighborhood clubs still interested in having a booth at the Festival, they are asked to contact Mrs. Raymond Lowe, 538, or the Girl Scout office, 1895.

**East Street PTA Enjoys  
Unusual Program Event**

Expert direction and rhythmic charm combined in an experiment in verse presented at the East street PTA meeting by six grade students. "The Creation", featuring the entire class of Paul Mutzabaugh, drew a round of solid applause.

Additional program material was provided by Jeff Reidel, Boys' YMCA work secretary as he enthusiastically acquainted parents with the versatile activities offered by the local organization.

Following a brief business session, new officers of East Street PTA were elected and installed, with Mrs. Mabel Lucke officiating. The 1957-58 slate includes: Mrs. Clifford Knowlton, president; Mrs. Jeanette Werlin, first vice president; Paul Mutzabaugh, second vice president; Mrs. Charles Sellin, secretary, and Mrs. Daniel Troxell, treasurer.

The traditional East Street ice cream social is scheduled for Friday, May 7, with complete details to be announced. All members will be contacted and tickets distributed through the student body.

It was also announced that Mrs. Knowlton and Mrs. Werlin will represent the unit at the spring PTA conference in Mercer May 4. Mr. Mutzabaugh's room won the attendance award and refreshments were served by kindergarten mothers headed by Mrs. Richard Stahlman and Mrs. William McBride.

**FRIENDSHIP CLUB  
HONORS COUPLE**

Russell—Mr. and Mrs. Richard Enos were honored by Friendship Club members to mark their silver wedding anniversary, with 22 persons present to enjoy a pleasant evening of games and contests in charge of Mrs. Howard Ramsdell and Mrs. Scott Phillips.

Prizes were awarded the winners and the honored guests were presented with two silver serving dishes in honor of the occasion. Refreshments served included a beautifully-decorated anniversary cake.

Club members were entertained by Mrs. Joseph Swanson for their regular meeting, with 10 present for a tureen dinner at one o'clock. Mrs. Charles Pearson baked the birthday cake for Mrs. Paul Wood, who was also presented with a gift. Next club gathering will be with Mrs. Mary Wall.

**PUBLIC IS INVITED**

The public is cordially invited to attend a showing of the outstanding personal African Violet collection of Mrs. Florence Underwood of Bemus Point, to be shown at the Frankston Flower Farm from 1:00 to 6:00 p. m. Saturday and Sunday.

Several new varieties, along with 60 others, will be exhibited at 1 West Oak Hill, one-half block off Route 66, north of Jamestown. There is ample space for parking and there is no admission charge.

**OES INSTALLATION  
BANQUET AND MEETING**

The annual installation meeting of the local chapter, Order of Eastern Star, will be held next Tuesday evening, prefaced by a banquet at 6:15 in the YWCA activities building. Reservations should be made no later than Monday noon by calling Maude Ross, Wilda Custer or Agnes Ross.

Installation ceremonies will follow in the chapter rooms at 7:30 o'clock.

**BETHEL EUB HAVING  
ANNUAL BANQUET**

The mother-daughter banquet for women and girls of Bethel EUB church will be held at 6:30 p. m. Saturday, with tickets available from Mrs. Werle or Mrs. Vincent Rothwell.

Mrs. Lena Blake, missionary for 37 years at The McCurdy School at Santa Cruz, N. M., will be the guest speaker, and all are reminded to bring their donations for the Quincy Bazaar.

### Nearly Hundred Children Are Taking Part in PTA Scholarship Fund Play

Another in the series of special events designed to benefit the Community PTA Council's Scholarship Fund will be an original children's play, "Fairy Gold", written by Margaret Wright of Warren and to be staged at 2:00 p. m. Saturday in Beauty Junior High school auditorium.

The play is being produced by Mrs. John O'Hara, with members of her Children's Theatre filling the speaking parts. Also participating will be the Warren Boy Scouts, under the direction of Byron Swanson, and dancing students of Richard Rapp.

Music the choir will sing was written especially for the production, with words by Margaret Wright and melodies composed by

Mrs. O'Hara. Mr. Rapp has arranged all dancing and movement. All benefits will go to the Scholarship Fund. This is the first time the PTA has sponsored a local children's offering and there will be nearly 100 youngsters participating.

"Fairy Gold" is the story of a young boy named Peter, who once lived with his family in a castle but is driven out with his sister, Rosy, and their grandmother, when his parents die and a wicked uncle takes over the home. Peter's troubles make an interesting and exciting tale which should appeal to old and young alike.

The part of Peter will be played by Victor Rice; Rosy will be Sue

Lower: the grandmother, Patty

### Foolish Parents Augment Child's Wish to Conform

A LOT of parents today honestly feel that the greatest harm they can do their young children is make them the least bit different from their crowd.

In order that Sis or Junior won't be made to feel "different" for even an hour or an evening, the parents are willing to give in and give up.

Junior's parents know he ought to be at home and off the streets by a reasonable hour. But if Junior pleads that all the other boys can come in when they please and that their parents don't sit up for them, Junior soon wins the argument.

Sis's mother knows that her husband is worrying because they can't save any money. But if Sis claims every other girl in her crowd is getting a new formal for a certain dance, Mama can't bring herself to tell Sis she'll have to wear the perfectly good formal she is hanging in the closet.

#### HE GETS THE CAR

JUNIOR's parents may figure he isn't responsible enough to be turned loose with a car. But when he pleads that all the other kids his age are driving, common sense loses out.

Sis's parents know it is ridiculous for a girl who has just started to date to go steady. But Sis wins the argument with the old plea that all the kids are going steady. Her parents are afraid to say, "Maybe they are, but you aren't."

It's frightening how many parental decisions today are made on the basis of keeping a child from being different from the crowd. Teen-agers know this weakness in their parents and they play on it constantly.

And the parents go on giving in more to their children so they won't ever have to feel different in any way.

Instead of helping their children to grow out of their adolescent fear of being different, parents today will do almost anything to keep their child the same as all the others.

O'Hara, and the wicked uncle, Don Sagrasso. Gloria Morgan will be the Hill Mother; hill folks will be Caroline Doebl, Frances Marie Scalise, Marcie Newmaker, Jane Cashman, Judy Lundahl, Molly Oriole, and members of Warren Boy Choir.

Friends of Rosy and Peter, who come to the celebration, will be Patricia Alexander, Donna Sharp, Bob Rice and Dick Stahlman. Village children practicing parts for a holiday play are the King, Patty Oriole; Queen, Sally Newmaker; Princess, Mary Cashman; Jester, Jill O'Hara; palace guards, Darby Switzer, Billy Cobb, Jay Sellin and Jack O'Hara. Village boys, who warn Peter his uncle is on the way, are Robbie Schorman, David Cobb and Jay Proud.

Young children dressed as flowers: Susan King, Lois Buerkle, Chris Lundahl, Becky and Stephanie Storum, Debbie and Barbie Schorman. Village dancers will be from the Rapp Studio, and village singers, Boy Choir members.

Tickets may be purchased at any of the following schools: East, Home, Jefferson, Lacy, McClintock, Seneca, South, North Warren, Starbrick, Irvinedale, Clarendon, Lincoln Heights, and Pleasant Township. Advance price for both adults and children is 50 cents, tickets at the door will be 60c.

**BIBLE CLUB MEETING**  
All are welcome to the regular meeting of Bible Club, to be held in the YMCA Chapel Monday evening. The session will open at 7:45 p. m., with Mrs. May Minser conducting the Bible lesson.

**HOSPITAL AUXILIARY**  
Warren General Hospital Auxiliary members are reminded their regular business and work session will be held at 1:30 p. m. Friday in the directors' room at the hospital and all are urged to be on hand.

#### IS SHOWER GUEST

Sugar Grove—Mrs. Fred Anderson, Erie, was honored guest for a bridal shower given by Mrs. John Anderson and Mrs. Cecil Johnson at the former's home. Lovely arrangements of spring flowers were used throughout the home.

Entertainment prizes were won by Mrs. Fred Anderson, Mrs. Donald Carr, Mrs. Alex Brown, Mrs. Harold Hodges, Mrs. Ernest Dyke, Mrs. Merrill Livezey, Carol Livezey and Mrs. Harry Sarvis. The recent bride received many nice gifts from guests present from Hamburg and Jamestown, N. Y., Erie, Lottsville and Sugar Grove.

### Girl Scout Trips Governed by Rules Of Their Council

Announcement that Girl Scout Troop 101 is planning a trip this summer focuses attention on Girl Scout rules that govern this type of project.

Troop 101 is sponsored by Trinity Women, holds its meetings in Trinity parish house and plans to hold a bazaar, bake-and-thrift sale there May 10th. In addition to sponsors, a troop must have a troop committee, and 101's is composed of Mrs. Robert Dunham, 212 Conewango avenue, Mrs. William Dasher, 22 Jefferson street, and Mrs. Weston Ensworth, 24 Oak street.

These women are members of the Girl Scout Council; and Mrs. Dasher and Mrs. Ensworth, like the leader, Mrs. S. M. McClure, have had special training given by the local Council. In fact, Mrs. Dasher is leading her own Brownie Scouts at present.

Girl Scouting rules govern any activity like the proposed journey; so there will be three adults and three cars for the 12 girls' travel. In public, the girls will wear their uniforms and must conduct themselves in accordance with that privilege. Being First Class Scouts, they have proved their trustworthiness in order to take this trip.

By edict, each troop may have only two money-raising projects a year. Troop 101 has already had a card-party; and now will need the co-operation of the general public and their friends on their second and final project of the year (the bake-thrift sale and bazaar) if they are to take this desired trip.

## Ann Louise Rydholm Becomes April Bride of Pfc. Richard C. Schneider

A double ring ceremony performed April 27 at 3:00 p. m. in Salem Evangelical United Brethren church united in marriage Ann Louise, daughter of Mr. and Mrs. van L. Rydholm, 306 Park avenue, and Pfc. Richard C. Schneider, son of Mr. and Mrs. Ernest L. Schneider, 14 Davidson street, Lakewood, N. Y.

Rev. A. J. Vrooman, Union City, officiated at the ceremony, assisted by Rev. F. E. Fehlman. Palms and white floral bouquets, with candelabra, decorated the altar.

Ruth Ackert played traditional wedding music at the organ and Harriet Vrooman, Union City, aunt of the bridegroom, sang "At Dawning", "Because" and "O Perfect Love".

The bride, given in marriage by her father, selected a gown of embossed ivory organza over taffeta, styled with illusion neckline, long sleeves and cathedral train. Her veil was of fingertip illusion net on a Juliet cap and her bouquet was a white orchid with streamers.

Mrs. Phyllis Rydholm, sister-in-law of the bride, was matron of honor and bridesmaid was Marilyn Johnson, groomed alike in light blue embossed nylon sheer over taffeta, princess style with bouffant bow. The former carried a cascade of blue iris and pale yellow daisy mums, the latter, a cascade of yellow daisy mums, each wearing a matching headband.

Kenneth Schneider, Lakewood, N. Y., served as best man for his brother; ushers were Robert Schneider, Brockport, N. Y., brother of the bridegroom, and Myron Rydholm, Warren, brother of the bride.

Mrs. Rydholm chose navy blue tulle with navy accessories and a corsage of pale pink sweetheart roses. Mrs. Schneider selected a beige ensemble, with a yellow sweetheart rose corsage.

A reception for approximately

125 guests followed immediately in the church parlors, where palms and bouquets of spring flowers formed the decorations. A four-tier wedding cake and candelabra composed the centerpiece, the cake served by Mrs. Ruth Thompson, the bride's aunt; Rachel Kaebnick managed the guest book; aides included Mrs. Sally Lou Hunter, Gloria Rydholm, Cynthia Rasmussen, Carolyn Nordland, Mrs. Barbara Schneider; Mrs. Eleanor Ritchie poured.

Out of town guests were present from Lakewood, Jamestown, Brockport, Marion, Stow, Celoron, Watts Flats, N. Y.; Youngsville, Cory, Waterford, Erie, Oil City, Union City; Weirton, W. Va.

For traveling, the bride chose a light blue tweed suit with black patent leather accessories, and wore a white orchid corsage.

The bride, who attended Warren schools, is a graduate of WCA Hospital School of Nursing. The bridegroom attended Lakewood schools and at present is serving with the U. S. Army, stationed at Scott Barracks in Hawaii. Following a brief wedding trip, the couple will return home and will shortly after leave for Hawaii, where they will make their home for the duration of his duty.

Parties were given for the bride by Mrs. Phyllis Rydholm, Mrs. Sally Lou Hunter, Mrs. Florence Soderberg and Mrs. Fred Rosen-trater, Marilyn Johnson, Mrs. Ruth Thompson, Mrs. Ruth Lord and Mrs. Esther Rudolph.

## Youngsville PTA To Honor Teacher At May Gathering

Youngsville—Mrs. Richard Giegerich, president, was in charge of April program-meeting of PTA, when members voted a Life Membership and pin for Minnie Hanson, first grade teacher, who is retiring at the end of the school year.

The PTA will have a reception in her honor at the next regular meeting, the date for which has been advanced one week to May 20. Mrs. Harland McAllister was appointed to secure the gifts and arrange the reception.

It was announced the unit will serve the EUB church mother and daughter banquet in the elementary school gymnasium on May 9; also that 30 card tables are needed for the Junior-Senior Prom May 10. Anyone willing to lend a table for that occasion is asked to call Mrs. Giegerich, 9-2571. The tables will be collected and returned after the affair. Another event will be serving of the Junior-Senior banquet May 16.

For the program, the group enjoyed a Bell Telephone Company film, "Telezonia". To conclude, refreshments were served by fifth grade mothers, with Mrs. Rex Young as chairman.

## South Street PTA Holds Annual Fathers' Night

The April meeting of South Street PTA included a pleasing program by pupils of the Beach Dance Studio, various reports, and election of the following officers:

President, Mrs. Robert Patchen; vice president, Robert Knecht; second vice president, Miss Edith Berkman; secretary, Mrs. Elmer Morgan; treasurer, Gordon Hanks

Wayne Miller opened the program by introducing Penny Beach and her pupils. Their theme, "Anything Can Happen", included a variety of ballet, toe and tap routines by little tots and advanced students in delightful solo and group offerings. All were appropriately costumed.

Devotions were led by Mrs. Helen Jarvis, who also gave a poem, "Gratitude", and others.

The attendance award went to Miss Tillotson's second grade.

The business session was in charge of the president, Mrs. Robert Patchen, who reported on the recent Council meeting and dis-

cussed the Scholarship Fund report. From the PTA State News, it was announced House Bill 450, requiring all children to have polo shots, is being passed.

Among various committee re-

ports were Ralph Eckert, for the recent ice cream social and candy sale, and Mrs. Edwin Bliss, a book of the year's activities being compiled.

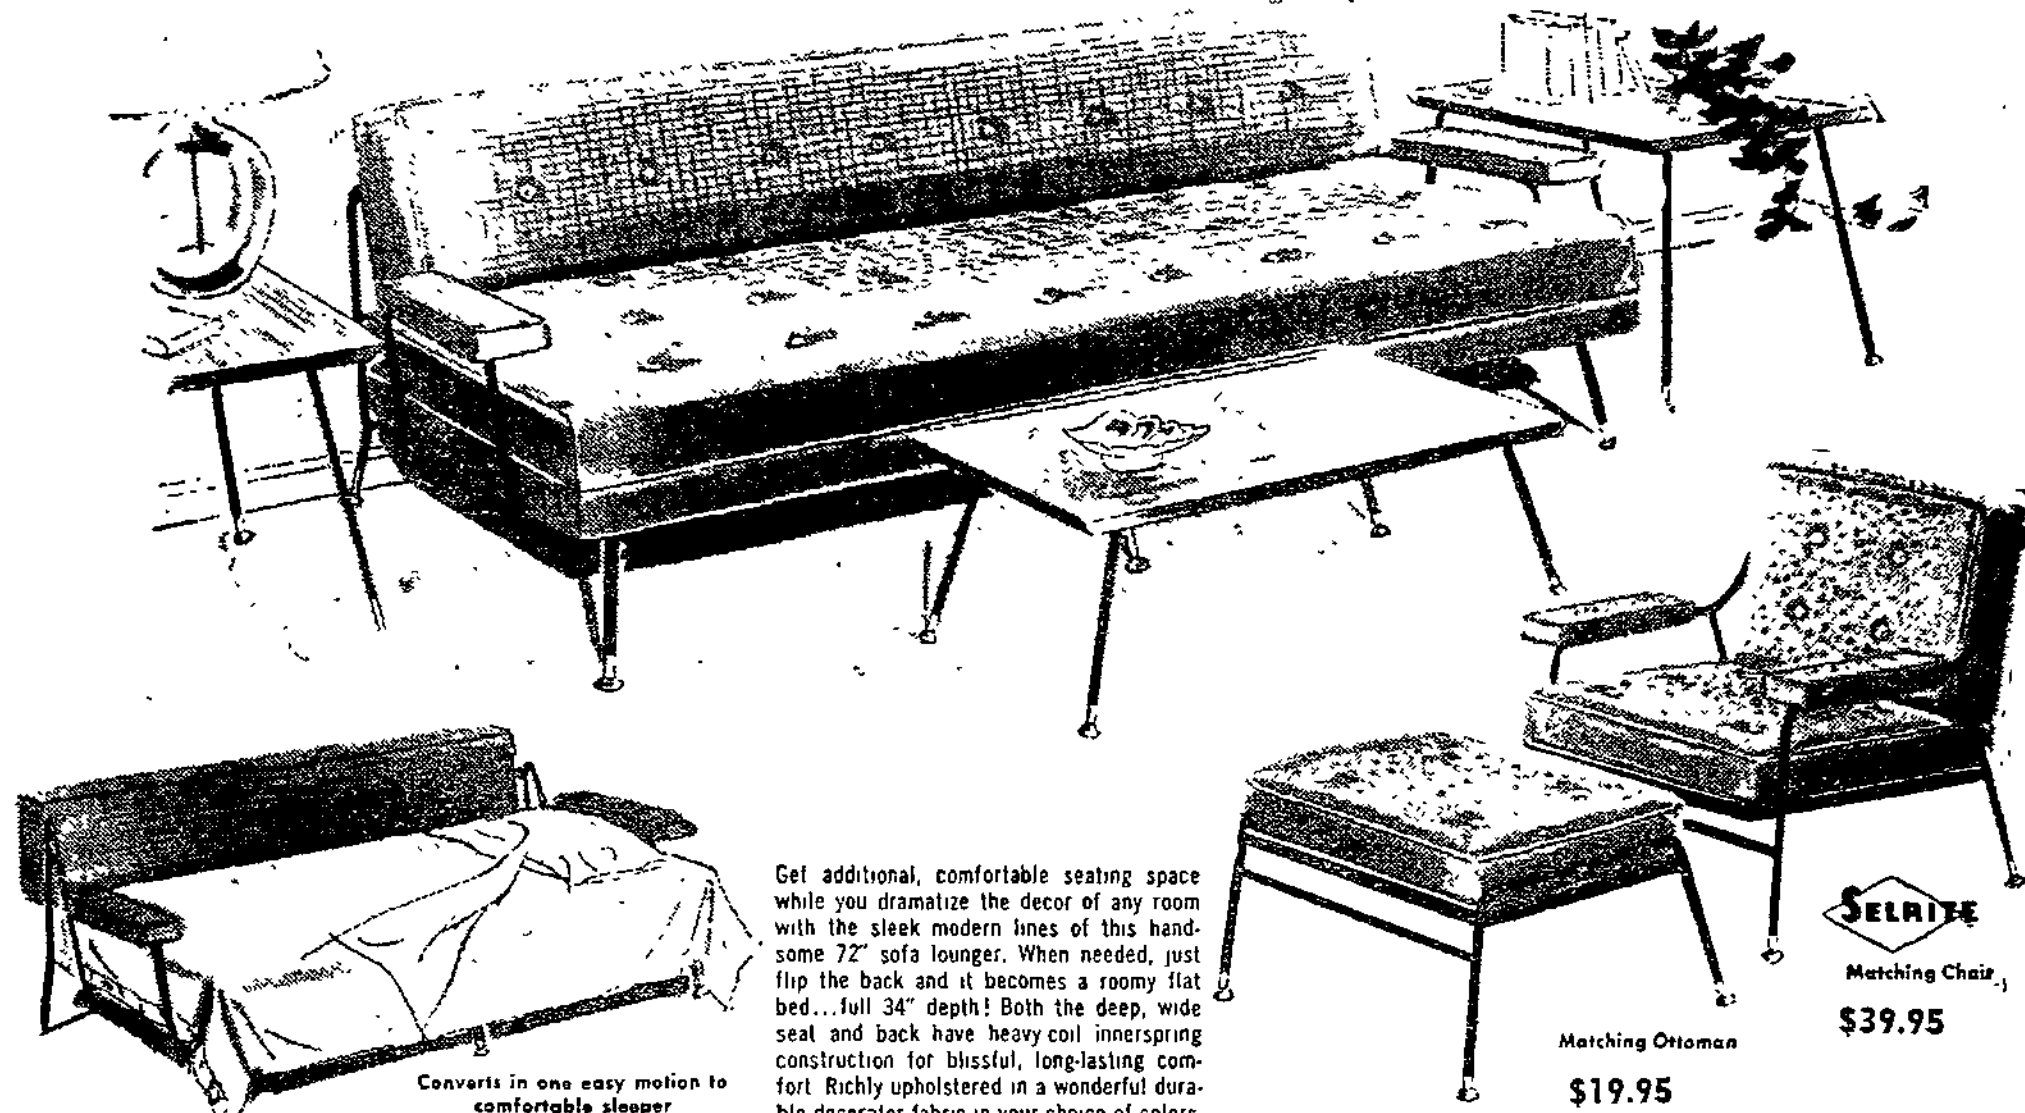

This being Fathers' Night, the group adjourned for a social time and refreshments in charge of the men. On the committee were Ralph Sandberg, Norman Davidson, Al-ton Daugherty and Richard Thompson.

## SOCIETY

### Catholic Women Choose Officers

Court Warren Catholic Daughters of America conducted a busy session last evening with election of officers highlighting the business affairs with the result as follows: Grand Regent—Fern Hesch; Vice Regent—Nancy Shaffer; Prophetess—Elizabeth Donick; Historian—Leah Senger; Financial Secretary—Autumn Doherty; Treasurer—Clara DuMont; Lecturer—Marie McGarry; Monitor—Betty Bova; Sentinel—Minnie Gerardi; Organist—Kathleen Eitinger; Trustees (for three years)—Rose Chiaramonte and Genevieve Pastnick.

The group approved a motion to send a sum of money to Father Jacobs for his new church at Youngville and a gift for his silver jubilee this week.

Two members of the Continuation Committee of St. Joseph's Building Fund, John McGarry and Robert McCoy, explained plans for an outdoor bazaar to be held by the various societies on August 16 and 17 and the members voted to take part in this activity.

Mrs. Agnes Monroe stated that she is making a trip to Gannon-dale tomorrow and would like any summer clothing if any members would send them to her as they are always grateful for these articles. Please call her if you have no way to deliver them to her.

Mrs. Nancy Shaffer and committee will gladly call for donations of baked goods or cash for the sale tomorrow at 10 a. m. at Metzger-Wright's, second floor.

Mrs. Paul Harrington was chairman for the refreshment committee.

TODAY is pay day for all who have classified ads.

MRS. MICHAEL S. PAVLETIC

All-white flowers made a lovely altar setting in St. Joseph's church April 27 for the marriage of Catherine Helen, daughter of Mr. and Mrs. Leo J. Turner of 111 Pennsylvania avenue, west, to Michael Stephen Pavletic, son of Mrs. Catherine Pavletic of Aliquippa.

Father Rocco A. Tito officiated at 11.30 a. m. for the nuptial mass and double ring ceremony. Kathleen Edinger was at the organ and Joseph Guiffre sang "On This Day, O Beautiful Mother," "Ave Maria," and "Mother, At Thy Feet."

Wearing lace and tulle over bridal satin, with chapel length train, the bride was escorted and given in marriage by her father. The basque bodice was styled with wide tip-of-the-shoulder neckline and thumb sleeves, and the bouffant skirt of tulle had an over- of imported lace. Her illusion veil fell fingertip length from a delicate pearl crown, and her white

prayer book, gift of the bridegroom, was topped with a white orchid and shower of streamers knotted with stephanotis and greens.

Attendants were her sisters, Jeannine as maid of honor, and Mrs. Matthew Bova as bridesmaid. Their waltz length gowns of shrimp-colored nylon chiffon featured shirred bodices, with neckline outlined by soft folds of pale pink. Headbands matched their gowns and pink and white carnations fashioned their colonial bouquets. As junior bridesmaid for her aunt, Jill Bova wore light lavender crystalet and carried the same flowers.

Matthew Kirm of Aliquippa was best man; ushering was the bridegroom's brother, Nicholas Pavletic, also of that place.

Wearing pink chiffon Sweetheart roses, Mrs. Turner chose gray lace over pink satin, with pink accessories, and Mrs. Pavletic wore navy blue accessories with old rose lace.

Breakfast for 50 guests followed in the K. of C. clubrooms, and the reception was held there from 8.00 to 6.00 p. m. Table appointments featured pink and white snapdragons and carnations, with greens and white candles. The hall was attractively decorated with white crepe paper streamers and wedding bells, with small thorn-apple trees dotted with pink popcorn to resemble blossoms.

Out of town guests were the bride's godparents, Mr. and Mrs. J. Seymour, Titusville; Mrs. Genevieve Godfrey, Jamestown; Mrs. Genevieve Carlson, Ashville; Mrs. Robert Kirkpatrick and Mrs. Joseph Kasaback, Ludlow; Mrs. Louise Nelson, Youngville; Mr. and Mrs. Richard Thompson, Ellwood City; Etta Vaughn, Ambridge; Mrs. William Turner, Rita Turner, South Can Francisco, Calif.; Mrs. Kenneth Whisner, West Palm Beach, Fla.; Michael Turner, USN, Bainbridge, Fla.

Also Mr. and Mrs. Thomas Pavletic, Mrs. Catherine Kirm, Mrs. Catherine Pavletic, Matthew Kirm, Florence Rhines, Mr. and Mrs. Rodney Davis, Allen Rhines, N. C. Pavletic, D. Dobick and Rodney Danco, Sr., Aliquippa.

Following a ten-day wedding trip to Canada the couple will be at home at 157 Baker street, Aliquippa. For traveling, the bride chose a blue wool flannel suit, navy blue accessories and the white orchid from her prayer book. The bride, who attended local schools, has been employed in the mailing department of New Process Company for eight years. The bridegroom attended Aliquippa schools, served in the U. S. Army, and is employed at J & L Steel in Aliquippa.

Pre-nuptial parties were given by Mrs. Genevieve Carlson, aunt of the bride, Jeannine Turner, sister of the bride; New Process Company employees; also a dinner by the department girls.

## Elegant Evening Gowns in Lace

Dainty Fabric  
Has Wide Use

BY GAILE DUGAS  
NEA Women's Editor

NEW YORK—(NEA)—Joining up with wool and cotton as a year-around fabric is that lovely newcomer, lace.

It's a newcomer in the sense that it is used to be confined to certain seasons. Now it's blossoming out all over.

Not only is it present in all seasons, it's welcome daytime and evening, too. It even appears on the beach in the form of swimsuits and beach coats. It's a natural for the dressy sheath with matching cashmere sweater that has its own lace trim. It is often elegantly formal, of course, but it's for short evening gowns, cocktail dresses and dressy suits, too.

The elegant white dance dress (left) by Rosalie Macrini is made of rows and rows of French val lace on sheer Swiss handkerchief linen. Black satin streamers fall to the hemline.

Rudolf's short evening gown (right) in imported French Chantilly lace has flower pattern of pale green and pink over pink taffeta.

By that time, the committees have learned the whereabouts of the following class members, still not located: Maryne Lorenz, Geraldine McManus, Frances Russell, Mary Sorenson, and Donald Thompson.

Any information concerning any member will be gratefully received and may be telephoned to Edna Swanson Sandberg, 1847-R, Mary Wenzel Munksgard, 291.

### BEST WISHES TO MRS. ANNA ARCHER

Corydon—Mrs. Anna Archer, well known former local resident, who, for the past four years has been a patient in a Randolph nursing home, will be observing her 88th birthday anniversary on May 6. Born in Corydon, she was the only daughter of the late Rebecca and Benjamin Crooks, pioneer village residents. For a time she lived in Salamanca, where her husband, the late L. J. Archer, was station agent for the Pennsylvania Railroad Company for 33 years. She has one son, Ray B. Caldwell, former American League pitcher.

## Shriners Plan Ladies' Night

On Saturday evening, May 25, in Beatty Junior High School, Warren County Shrine Club members will play host for their annual Ladies' Night party.

The committee in charge of arrangements has left nothing undone to assure a big evening for all attending. Following dinner at 6:30 o'clock, the entertainment will be presented in the auditorium and this phase of the festivities promises to be a "good time for all concerned."

All Shriners in the vicinity are reminded to keep the May 25 date in mind and to watch these columns for further particulars.

### GOLD STAR MOTHERS CHANGE OF MEETING

Because of the convention being held this weekend, the regular meeting of Warren County Chapter Gold Star Mothers has been changed from Monday to Wednesday evening of next week. Hostess for the gathering will be Bertha Rosenquist, 601 West Fifth Avenue.

Eight chapter members going to the convention are President Pearl Feiro, Emma Kiernan, Sophie Samuelson, Bertha Rosenquist, Gerda Carlson, Margaret Day, Emma Bieterman and Bessie Sullivan.

## Many Announcements for Moriah Lutheran Groups

Ludlow—Announcement is made by Moriah Lutheran church officials that the Advance for Christ Fund totals \$1,003, to date.

The youth group of St. John's church of Johnsonburg was entertained by local Luther Leaguers, with 15 visitors among the 41 in attendance. For the program, a skit, "The Book and I", was given by Tom Anderson, Dick Carl, Carl, Carol Ralston and Emily Johnson; Ken Larson gave devotions; two instrumental numbers were played by Everett Larson, Carol Ralston and Judy Johnson, accompanied by Mrs. Emil Nelson.

A film, "Babu in the Easter Fair", was shown by Mrs. Lawrence Larson, program counselor for the evening, along with Mrs. Virgil Nelson. Short talks were given by the two pastors, Rev. Robert E. Olson, of St. John's, and Rev. Carl F. Eliason. The response was given by the visiting president, Joan Sherrin.

Games were directed by Mrs. served with the help of counselors, Al and Theresa Johnson, Jean Nelson, Adeline Giffert, Mildred Larson, Esther Anderson, Florence Anderson and Ann Fetzeck.

There were 38 women in attendance at the meeting of Moriah Church Women, when Mrs. Axel K. Anderson conducted devotions; Mrs. Charles Fetzeck read "The Glory of Resurrection", and there was a prayer for the sick. The program included a song by several women and a film, "Babu at the Easter Fair", shown by Mrs. Carl Benson, program chairman.

In the business session, conducted by Mrs. Enoch O. Nelson, announcements were made and a small gift voted to the Cancer Crusade Fund. It was announced Rev. Mallard Nelson, Kane, will speak at the May 16 meeting, open to the public, his topic to be the Lutheran World Federation meeting in America.

Mrs. Enoch Nelson was named delegate to the New York Conference sessions, April 30-May 3, and Edith Larson to the Warren District meeting in Warren May 12. Coffee was served by Mrs. Stanley Carlson, Mrs. Arthur Christenson and Mrs. Leland Engman.

### ICE CREAM SOCIAL

Home Street School will hold its annual ice cream social at the school Friday from 4:00 to 8:00 p.m., and the support of the public is urged.

### MAY DAY EVENT IS VERY SUCCESSFUL

Early apple blossoms and caged birds greeted May Day Breakfasters at the Woman's Club yesterday when a record number of people was served in the clubrooms. Noted were several large groups of business people, including an early gathering of professional men, celebrating birthdays of four of their group.

Traditionally hostesses for many years, the record was kept when Mrs. K. M. Andrews came home especially from Florida to serve with Miss Anna Grandin as official greeter to the guests. Mrs. A. J. O'Connor and Mrs. William Cashman were responsible for the very spring-like decorations and all participating club members are to be commended for their work in making this annual event so successful.

### CIRCLE GATHERING

Mrs. Mildred Schneider was hostess to the Ora Hooper Circle of Grace Methodist church for its April meeting, with nine members present. Huck towels were finished and assembled for sending to the Vashiti School in Georgia; refreshments were served by Mrs. Audrey Cable and the hostess.

Next meeting will be held May 24 at the home of Mrs. John Webster, when, it is anticipated, circle members will again make cancer pads. Plans will also be discussed for a June picnic, when Mrs. Blanche Brownell, Big Bend, will serve as hostess.

### PRACTICAL NURSES

President Annie Erickson conducted the regular meeting of Warren County Practical Nurses' Association, held last evening in the YMCA meeting room. Interesting reports were heard from the district meeting at Allentown Apr. 24-25, attended by Mrs. Erickson, Mrs. Mary Saylor and Mrs. Mary Lee Dyke.

For the program, Mrs. Emma Gustafson gave a reading on "Ethics" and, to conclude, refreshments were served by the committee.

### SCHOOL CLUB MEETS

The April meeting of Mead Township Teacher-Parent Club was held at Washington School at Tona, with a white elephant sale as a special feature. Plans were discussed for a free lunch for children of both Washington and Lincoln Schools, more definite plans to be made at the May meeting.

### HARRIET M. LIND SOON TO BE BRIDE

Mr. and Mrs. Grover Lind, 17 Jefferson Avenue, announce the engagement and coming marriage of their daughter, Harriet Marie, to Royce D. Black, son of Mrs. William D. Black, 100 Palm Avenue.

The wedding will take place June 29 in First Baptist church.

## Gathered From The Party Line

Mr. and Mrs. H. M. Miller, North Warren, have arrived home after spending the winter at Indian Rocks Beach, Fla.

Word comes from Chambersburg that Carole Weigle, 118 Seneca Avenue, was co-author-director for the first of two original dramas presented by senior class members in Laird Hall at Wilson College on April 30. The play was titled "Summoning of Common Man", a social satire and allegory, described as a take-off on medieval morality plays.

News is received from Grand Rapids, Mich., that Dora Rosenzweig, former resident here, has been honored with selection of one of her oil paintings for hanging in the Western Michigan Art Exhibition in that city. The picture, "Israel 1956", is of a relative located by Mrs. Rosenzweig and her husband, Dr. Leonard Rosenzweig, during their last year's trip to Europe.

Coroner and Mrs. Ed C. Lowrey, 10 Crescent Park, left this morning for London, Ontario, and will return Friday with their son, Ed S. Lowrey, pre-theological student in Huron College, whose summer vacation starts tomorrow.

## Blackmail Charge Put Against Liquor Agent

Erle (P)—Basil Brady, a former enforcement agent of the State Liquor Control Board, was indicted by an Erie County grand jury today.

Brady, 49-year-old resident of Fullerton, is accused of teaming with Charles (Casey) Wisniewski of Erie in attempting to blackmail Joseph W. Miller, operator of a tavern in nearby Union City, in 1954.

The state charges that in return for \$100, Brady and Wisniewski offered to "tip-off" Miller about the dates liquor agents would inspect his establishment.

The state also contends Brady gave false testimony under oath at a Liquor Board probe of the case.

Wisniewski was convicted on blackmail charges and was sentenced to 2 1/2 months in the Erie County jail. The state said he later implicated Brady.

Brady formerly worked in the Erie LCB office but was working out of the Allentown office at the time of the arrest.

## JC Inaugural Ball Reservations Must Be Made by May 20

Various committee have plans well under way for the 1957 Inaugural Ball, annual dinner-dance for members of Warren Junior Chamber of Commerce and Auxiliary.

This year's affair will be held Saturday evening, June 1, at the Woman's Club, with dinner at 6:15, a brief program which will include installation of newly-elected officers of both groups, and a number of special features for planned entertainment.

Dancing from nine until one will be open to friends of the Jaycees and Auxiliary, with music by Three Guys and a Gal from Bradford.

Reservations for the banquet must be made no later than May 20 by calling Harry Segel, 229, or Myron King, 4354.

## NATO Ministers

of a three-day meeting of the NATO Council of Foreign Ministers.

But Adenauer said that in contrast to West Germany's pledges in the 1954 Western European Union treaty, the Soviets have blocked every Western disarmament proposal by refusing control and inspection of arms.

Adenauer also asserted that recent Russian warnings to NATO members and their allies about the dangers of nuclear warfare overlook the simple fact that "such war can be unleashed only by Soviet attack."

West Germany, he said, is ready to make its full contribution to the NATO defense shield. That shield, said Adenauer, under present conditions offers the best hope of avoiding "the apocalyptic fate of modern war."

Citing criticism that NATO's forces are inadequate to deal with the Soviet Union's immense military power, Adenauer said NATO's forces assuredly are inadequate for waging war of aggression.

But NATO is "not meant to be an instrument of attack," he declared. "It is an instrument of defense against attack and it fulfills that task in full measure."

The West, Adenauer continued, must base its policy and actions on "the serious realities of our age."

Among these he listed: 1 Soviet maintenance of five million men under arms and retention of 22 divisions with some 7,500 modern tanks in East Germany; 2 Russia's expressed determination to impose the Communist system on the entire world; 3 the territorial expansion of the Soviet Union since the war and her control of East Europe.

Adenauer's statement fell in line with the conviction of most NATO's political leaders that successful collective defense must be based on the free world's arsenal of nuclear weapons.

will tell his North Warren audience how Northwestern Pennsylvania as well as Western New York will benefit from the new commerce project. Industrial leaders, in particular, should find plenty to interest them in the talk by the visiting speaker.

Although only 35 years old Mr. Lawless has enjoyed a meteoric rise to prominence in Western New York. A native of North Tonawanda, he was educated at Notre Dame University, the University of Buffalo and the Harvard Law School. He saw extensive service with the U. S. Navy in World War II and following return from service was with the law firm of Kenefick, Bass, Letchworth, Baldy and Phillips from 1946 to 1950. He was associated with his own firm, Crane, Williams and Lawless from 1950 to 1953 and was appointed Corporation Counsel for the City of Buffalo in 1954, where he served until 1956. He was elected Council President of the City of Buffalo last year. His career also includes some law teaching as a member of the faculty of the University of Buffalo Law School, 1950 to 1953.

Mr. Lawless comes to North Warren highly recommended as an interesting and forceful speaker. He is a strong advocate of the St. Lawrence Seaway and has closely followed its construction. His talk before the Civic Club should disclose a new medium for further industrial and economic development in this area during the next decade.

James A. Blomquist of the committee handling arrangements for Monday night's annual dinner and meeting reports plans for the banquet in the final stages of completion. Tickets for the gathering have been moving briskly and it is hoped that a capacity throng of two hundred will be in attendance to hear the Buffalo municipal executive. One or two other features, which will be announced at the meeting, will help in making the 1957 banquet one of the finest yet held by the Civic Club.

age in Pennsylvania from 21 to 18. Eliminating the requirement that a voter live in a precinct for 60 days to qualify for a ballot.

A constitutional amendment requires passage in two separate sessions of the legislature and subsequent approval by the voters.

The Senate action on the plan to sell 150 million dollars in bonds to finance the Korean War bonus was the last needed to place the question on the Nov. 3 general election ballot.

The measure contains a provision requiring future legislatures to earmark a specific tax to finance the bonus. If approved, the 1959 General Assembly is expected to spell out how the bonus should be paid.

Present plans are to pay up to \$500 on the basis of \$15 for each month of overseas service and \$10 a month for service in the states.

The absentee voting and special forest reserve taxation plans also were previously passed in 1955.

The other constitutional questions—annual sessional lowering the voting age to 18 and changing precinct residence requirements—were on their first round through the legislature.

In addition to the six constitutional amendments listed for a vote, three other proposals also appear on the Senate agenda—with action on them expected next week.

They would make the attorney general an elective office, abolish the office of secretary of internal affairs and remove a provision that both a Republican and Democrat are automatically elected when voters choose two State Supreme Court justices in the same election.

## More Rains Hit Texas Territory

By The Associated Press

More rain fell in water-soaked sections of Texas and showery weather was reported in widespread areas of the nation today.

A low-pressure area centered near the Louisiana coast and caused rain throughout the southeast quarter of the country. Heavy rainfall hit some areas, with Miami measuring a little more than 7 inches in 24 hours.

Cloudbursts struck the Trinity River watershed in north central Texas, causing flash floods in the Dallas area. The wet belt extended over much of the eastern half of Texas.

In Texas, hit by violent spring storms and floods for two weeks the Sabine and Trinity rivers appeared the danger spots.

### TRACKS OUT

Harrisburg, (P)—The odds grew longer today on whether a Senate-passed plan for a statewide referendum on legal betting at horse races would ever see daylight again. Chairman Harry A. Naugle (R-Somerset) of the House Law and Order Committee said the measure would be pigeonholed until the House Republican caucus discusses it next week.

### MAY UP EXEMPTION

Washington (P)—A bill to increase personal income tax exemptions from \$600 to \$750 was prepared for introduction in the House today by Rep. Saylor (R-Pa.). In calling for income tax reduction, Saylor said in a statement that congress should reject requests for "lavish expenditures" by government agencies. He also urged a slowdown in foreign aid programs.

### PRETTY NEAR ALWAYS

Harrisburg (P)—Legislation to require all public agencies in political subdivisions to maintain open records went to the House floor today in amended form. The House State Government Committee changed the bill to read that the records be open to the public "at reasonable times" instead of at all times.

### PINZA HAS NO. 3

Stamford, Conn. (P)—Ezio Pinza, 64, has suffered another heart attack—his third since August. The operatic basso and Broadway star was stricken in his home Tuesday. His wife said he is under oxygen "on and off" at home. He was not taken to a hospital. Mrs. Pinza said last night he was improving.

### HYPNOSIS BILL

Harrisburg (P)—A bill to regulate the practice of hypnosis was before the House today. It would require that persons practicing hypnosis obtain a \$1 yearly permit from the State Health Department. The department would be required to assure that an applicant would not "be a source of danger to the health of others."

### QUEEN CHOSEN

University Park, Pa. (P)—An attractive blue-eyed blonde was selected today to reign over the traditional May Day festivities at the Pennsylvania State University, May 11. Chosen by the vote of senior coeds, she is 21-year-old Sheila Kennedy of Milford.

Shirtwaist dresses are for little girls this spring, too. This one is in a fabric that's a blend of dacron and cotton, is both lightweight and opaque. It has a set-in bib with rows of lace as trim. Lace is repeated as edging and as trim on collar and doll sleeves.—By GAIL DUGAS, NEA Women's Editor.

## Surprise Mother on Her Special Day

BY KAY SHERWOOD

NEA Staff Writer

PLANNING a surprise for Mom on Mother's Day? What will it be: breakfast in bed, dinner by the family, a simple gift or two, or corsage?

She'll love any of them, but most of all she'll love the compliment that you wanted to do something extra special for her.

As a mother who has been surprised on several occasions, I'll give you a tip. Don't plan a treat that's too elaborate for your ability or your budget.

If you plan breakfast in bed for her, allow enough time to cook, serve and clean up the kitchen before the family leaves for church.

Better to plan an easy dinner of foods (fresh, frozen or canned) that you know you can handle than to dissolve into tears at the last minute over a recipe that refuses to come out right.

INEXPENSIVE GIFTS bought with money you've saved can be presented with ingenuity to amuse and delight a proud mother. A talented New York designer gave me this idea for a centerpiece which presents little gifts in an unusual way. And it's easy enough for younger brothers and sisters to help make.

It's a shoe box decorated and "dressed up" in the finery you're giving. Flowered gift paper wrapped around part of the box makes the dress.

A four-inch strip of pink paper taped around the top creates the head. The face can be painted

Amusing homemade centerpiece sparks Mother's Day surprise dinner. Made from a shoe box, it is dressed up with real gifts of earrings, brooch, corsage and hanky tucked in apron pocket.

on. Short strips of ribbon or yarn taped to the top make her coiffure. And an eight-inch circle of colored cardboard, decorated with ribbon bows, provides a splashy hat.

REAL EARRINGS can be pinned or taped in place. A brooch can be attached to the collar of the dress in the same way. A hanky or scarf might be tucked into a paper pocket.

The arms, which are cardboard covered with flowered paper, could dangle a bracelet or wave a gay little corsage. Use cellophane to hold arms to box and gifts on the arms.

Other gifts, such as slippers or lingerie, can be hidden in the box for a final surprise.

## Apply Night Cream With Care

WHEN you apply cream or lotion at night before retiring, don't just dab it on hastily. Start at the base of the throat and work upward and outward with firm light strokes.

But be careful of the area around the eyes. The skin here is both thin and sensitive and must not have rough treatment.

Use a fingertip for this and use it very gently. In the morning, when you go over your skin with a cleansing lotion, use the same method and motions that you employ in applying the cream.

Be sure to get up into the hairline to remove the accumulation of stale make-up, cream and dust that always collects just at the hairline.

WEIGHT distribution is important to a pretty figure. It's the reason why two women of the same height and weight can look totally different.

One may appear overweight

BY ALICIA HART

NEA Beauty Editor

(or scrawny) while the other is nicely proportioned. The difference in the two is the way in which the weight is distributed and, of course, the bony structure of the body.

One woman, at 115 pounds, may have a good deal of her weight concentrated about her hips. The other may have slim hips and waist but heavy thighs and legs.

The only way to control weight distribution is through exercise. It must be the kind of exercise that is concentrated on the spots that need it most. To this, add the all-over exercise of walking, swimming or tennis for muscle tone and the feel and look of health.

A DIET, as a topic of conversation, is about as interesting

to your listeners as an account of your operation

They're both topics that are endlessly fascinating to you and to no one else. When you are on a diet, stick to it but don't discuss it, not even with your best friend. And when you go out to a dinner party, don't refuse food or ask your hostess to prepare something special for you because you're dieting.

You can eat what appears to be a normal dinner by taking smaller portions and leaving a bit of each. The fact that you don't help yourself to a roll or finish all of your dessert won't cause comment.

The next day return to your diet schedule with a clear conscience. When your friends do notice your weight loss, don't retaliate with a complete description of your diet and its astounding success. Accept their comments and let the whole matter go at that.

Mirrored in Our Times

And—suddenly it's Spring! But what happened to all those threats of getting right at the housecleaning the moment the weather was nice? The trouble is—when it's cold, rainy or snowy, a person has no inclination to work. Then, when the warm air and sunshine finally appear, most folks come up with an urge to be outside where they can enjoy it! What's your "Spring Fancy"?—do you fancy an early picnic in one of the near-by areas? Or are you eager to make the spring garden as beautiful as possible? Don't we have some lovely gardens in our community? If you're a sportsman, it's definitely more fun to put aside the vacuum cleaner for a golf club!

Gone are the heavy boots and snow clothes! Vanished are the garments of a season now past. There's freedom in the air and a need to be as carefree as birds on the wing—it's time to think and live like Spring. There's something more in the air, too—and Warrenites have become accustomed to inhaling exquisite fragrance at 233 Liberty street!

Yes—Suddenly it's spring and time for fragrance by Prince Matchabelli — it's "Spring Fancy", a sunshine and flower fragrance. You open the box and colorful paper flowers burst into bloom in a surprise bouquet! A 4 ounce decanter of cologne with matching dusting powder and perfume creme sachet are yours at the Warren Drug Store, 233 Liberty street for just \$1.50 each plus tax.

Men golfers at the CVCC are getting off the hook this evening as the 1957 season officially opens with a dinner following the posted tournament. It is also noted that a new chef will serve the membership and a Warren welcome is extended to Jerry Kennedy, who comes direct from the Governors Hotel in Fort Lauderdale, Fla.

Europe will attract more local people this spring, with several prominent residents already abroad or on the way. Many others have recently returned from tours or southern vacations. Countless friends have already enjoyed the opportunity of greeting Ray Norris and his charming wife upon their return.

Having touched on the more romantic aspect of spring, let's get down to other business. You do see many a clothes line well weighted with the winter garments being aired for warm weather storage. Closets are cleaned and made fresh and sweet. The common complaint seems to center around the lack of things to put in them! Sure, everybody has a mess of stuff left over from last year or the year before, but there's no particular pleasure in contemplating another wearing! Just as the trees take on new foliage, so must the human being.

The Style Shop invites you to take a spring look at the best menswear, paying particular attention to the latest in lightweight, miracle fabric suits. What better, more comfortable buy on the market, than the streamlined suits that's wrinkle free, cool and completely washable? Spring haberdashery accessories are mighty nice, too. Do stop in.

We can well imagine the excitement to reign at Beatty school Saturday afternoon when students of Mrs. Edith O'Hara with ballet pupils of Richard Rapp are destined to appear in a theatrical production of "Fairy Gold". Augmented by the famous Warren Boy choir, the production should attract a capacity crowd—both young and old. Curtain time is 2 p. m. and proceeds will benefit the Warren Community PTA Council teachers' scholarship fund.

Yes—suddenly it's spring and after having indulged in our "spring fancies", it's back to the window and woodwork washing. What a let-down!

BERT R. DENNISON—  
Friends will be received at the Templeton Funeral Home at the usual calling hours, starting at 2:00 p. m. Friday, and services will be held there at 2:00 p. m. Saturday. The Rev. John Z. Andree, pastor of First Church of the Nazarene, will officiate and interment will follow in Oakland cemetery.

FEWER KILLED  
Harrisburg (AP)—Eight persons were killed on the Pennsylvania turnpike in the first three months of the year, the Turnpike Commission reports. This is five less than in the same period a year ago. There were 424 accidents on the toll road in the first quarter of 1957 compared to 442 in the 1956 period.

TODAY is pay day for all who have classified ads.

WALLY ZWEMKE, gospel magician, will be in Warren next week, May 5-10, for a five-day series of children's meetings in Calvary Baptist church. He is said to charm the young people with his accordion, magic, stories, singing, contests, and scene-o-felts with colored lights, and promises something "real special", along with prizes and surprises, for each evening. Meetings will be from 6:45 to 7:45 p. m. daily, with no admission charge, and all youngsters of the area are welcome. Mr. Zwemke is national children's evangelist for the Bible school and youth board of the Baptist General Conference of America.

### Increase Shown in The Purchase of U. S. Savings Bonds

U. S. savings bonds sales in Pennsylvania amounted to more than \$8 million dollars during March, which represents a 15.9 percent gain over sales for February of this year.

"This upward trend in savings bonds sales will no doubt continue now that the Treasury department is offering a 3-1/4 percent series E bond," said Charles S. Crumrine, state chairman, U. S. Savings Bonds Division for Pennsylvania.

"United States savings bonds have always been a splendid investment for individuals and the new interest rate enhances their attractiveness, not only at maturity but also in earlier interim yields," he concluded.

Harry W. Conarro, chairman, U. S. savings bonds committee for Warren county, announced that savings bond purchases in the county during March totaled \$92,-\$50.

### Garland Cub Pack Has Indian Theme

Garland—Cub Scouts had a fine program for their regular meeting, each den presenting a skit concerning the study topic, "Indians".

Awards were presented to those who had earned them as follows: Bobcat pins—Daniel Holcomb, Thomas Holcomb, James Morrison, John Hemminger, John Gallagher, Charles Scott, Richard Leofsky and Larry Upton. Wolf badges—Howard Camp, Jimmy Kellogg, Tommy and Terry Raddecki.

Lion badges—Tommy Graham and Andy Zelko; gold and silver arrows—Jimmy Kellogg.

It was announced next month's theme will be "Cub Scout Firemen". All the Cubs visited the fire hall to hear William Marino explain operation of the fire truck and other equipment.

Den Chief for this group is Henry Leofsky; Den Mothers are Mrs. Graham, Mrs. Walter Peterson and Mrs. Harold Holcomb.

### CORYDON

Corydon—Routine business occupied members at the regular meeting of Corydon Grange, held in the IOOF Hall, with Mrs. Margaret Ruth presiding.

## Good Results in the Treatment Of Deep Cancer Are Reported Through Use of Atom Smasher

By RENNIE TAYLOR  
AP Science Reporter

Los Angeles (AP)—Hopeful results in the treatment of deep cancer with a small atom smasher were reported today by a Stanford University radiologist.

All traces of malignancy in 48 out of 74 patients treated in a little more than a year have disappeared, Dr. Malcolm A. Bagshaw told the California Medical Assn.

It is far too early to call these results cures, because the cancers could reappear. Five to ten years free of the disease would constitute what doctors call a cure.

The initial apparent successes included a child 22 months old with cancer of the eye, one of the most common forms of malignancy in the very young. A second child with this disease also is being treated with some indications of favorable results, Dr. Bagshaw said.

Besides the 48 encouraging cases, cancers at certain sites in five other patients disappeared under this treatment but the malignancies broke out in other parts of their bodies.

Twenty-one of the 74 patients received no help from the atom smasher, Dr. Bagshaw said. These included eight who had been treated previously with conventional X-ray equipment, three who were far advanced and had no hope of great benefit and three who could not be found later for checkups. That left only seven cases giving definite evidence of failure.

The treatment machine is a linear accelerator, which produces high-energy electrons. The electrons in turn produce the X-rays which attack the cancer. They are the same as those which come from a conventional X-ray machine except they are much more potent—six million volts compared with 200,000 or 300,000 volts.

This instrument is a small edition of a 700-million-volt machine developed by Stanford physicists for atomic research. Its rays can penetrate about three inches of flesh and bone, which means it can reach just about any point in the chest or abdomen, and can do so more effectively than conventional X-rays. It was built under the direction of Prof. Edward L. Ginzton, physicist, and Dr. Henry Kaplan, radiologist.

## Manufacturers Announces New Summer Air Conditioning Rate

Manufacturers Light and Heat Company has announced it has put a new summer air conditioning rate into effect to expand the summer use of gas for cooling and to enable the company to get greater summer use of its facilities.

The utility's proposal calls for a flat rate of 45c per thousand cubic feet of gas used for air conditioning during June, July, August and September of each year.

Gas used in this process will be metered separately during these months and billed at the 45c rate, manager Guy O. McKinley said.

Manager McKinley said the new summer cooling rate is a logical development following the steady expansion of gas company facilities to handle a substantially increased winter heating load.

The company has built up its plant to handle zero weather heating demands which run 15 to 20 times more than warm weather use. The new plan is an attempt to put delivery capacity to more productive use during the 4 hot-weather months when gas deliveries reach their lowest point.

He said the proposal was particularly timely at present because of an increasing availability of gas-fueled heating and air conditioning units which can be converted to summer cooling by the flick of a switch.

Mr. McKinley said the new rate was designed to reduce the operating costs of summer gas air conditioning below the level of competitive systems for comparable central air conditioning.

He also cited gas air conditioning equipment manufacturers' estimates that complete gas air conditioning can be combined with the gas heating system in a new home at what he termed a nominal added cost of about \$5.00 a month on the life of the mortgage on that home.

## Firemen Making Arrangements for June Garland Days

Garland—Members of the Volunteer Fire Department held a special meeting in the fire hall to organize their committees for Garland Days, which are to be staged June 13, 14 and 15.

A carnival has been engaged and among the special features will be a Pet Parade, fireworks, and Firemen's Parade, along with other attractions to be announced later.

Concluding, a meeting was held with Auxiliary members to work out arrangements for food preparation.

Seventeen members attended the regular meeting of the Auxiliary, opening the session with The Lord's Prayer. Following routine matters, Mrs. John Sedlak, Jr., reported on the Flower Fund and Mrs. Joe Barone on the products sale. It was announced a beautiful table lamp will be given away at the next meeting.

There was general discussion concerning Garland Days and the following chairmen were named: Food preparation, Mrs. Mearl Howell and Mrs. Tom Graham; Doll and Pet Parade, Mrs. William Fitzgerald and Mrs. Frank Briggs.

Also appointed was a lunch committee for May: Mrs. Frank Stec, Mrs. Henry Stec and Mrs. John Zolko.

At the conclusion of the meeting, lunch was served to both firemen and Auxiliary by Mrs. Mearl Howell, Mrs. James Graham and Mrs. Granville Bailey.

## Bell Co. Directors Approve Issuance Of New Debentures

Philadelphia—The board of directors of The Bell Telephone Company of Pennsylvania has approved the issuance of \$50,000,000 of debentures, subject to the necessary regulatory approvals.

The interest rate will be determined by the best competitive bid. The debentures are to be issued under an indenture dated August 1, 1957. The bids will be opened on or about July 31, 1957.

The Board also authorized the call for redemption, on October 1, 1957, of the Company's \$50,000,000 outstanding first and refunding mortgage 5 per cent bonds, Series C, at par and accrued interest.

The Board, at the same time, and subject to the necessary regulatory approval, authorized the issuance on June 28, 1957, of \$45,000,000 of capital stock for the purpose of repaying borrowings in that amount.

W. D. Gillen, President of the Company, stated that these borrowings were used to provide for extensions, additions and improvements to the Company's telephone plant.

He added that the demand for telephone service is at a very high rate and that it is expected it will be necessary to continue to obtain large amounts of new capital.

**\$4.00 Fish Fee Bill Is Dead Chairman Of Committee Says**

Harrisburg (AP) — Chairman Stoner (R-Cumberland) indicated last week that the House Fisheries Committee will pigeon-hole a proposal to boost fishing license fees to \$4.

Stoner said the measure, endorsed by the Pennsylvania Federation of Sportsmen's Clubs, is "out the window" at this session of the General Assembly.

But, on another point, the chairman said there was a strong possibility that the committee will send to the House floor a plan to require a special stamp for trout fishermen.

"My opinion—and I speak for many members of the committee—is that there will be a trout stamp," Stoner said. He added that the panel would "have to work out what price such a stamp would be."

Stoner said the price range would run from \$1 to \$2.

Stoner contended the license fee bill has failed to stir up enthusiasm among the rank and file of Pennsylvania anglers.

The sportsmen's federation has been pressing a grass roots campaign among its 180,000 members to drum up support.

A spokesman for the organization withheld comment on the committee's action pending results of a discussion over the weekend by federation officers.

"The bone of contention on a general increase is between the two categories of fishermen in Pennsylvania—the cold water, or trout fishermen, and the warm water fishermen," Stoner told a newsman.

"The warm water fisherman object strongly to raising license fees generally because they feel the trout fishermen now do not pay their fair share of fishing costs in Pennsylvania," he added.

Stoner cited Fish Commission figures which he contended showed that 78 per cent of the agency's expenditures finance benefits to trout anglers.

**Where Did You First Meet Your New Car?**

Was it in an advertisement? So often the first meeting is... and how much it means to you and your family now. But it means even more to countless others, whose jobs depend on car sales.

When you buy a car, you help pay the salaries of your local dealer's salesmen. Part of your money went into their bank accounts, to their grocers, to other suppliers here in Warren. The circle goes on widening to include literally thousands all over America... all kinds of people in all kinds of jobs.

They buy cars, too, and millions of other items every day. Many of these sales begin with advertising on newspaper pages like this, country-wide.

So you can say, truthfully, that every time advertising helps to make a sale, your own paycheck and your family's way of living are just that much more secure.

**FOR CHILDREN ONLY**—Birds as well as books line some shelves of the "kids-only" Robert Bacon Memorial Children's Library in Westbury, N. Y., where Donald Dworkes is looking at models of birds commonly found in the area. No adults are allowed in the library which has a collection of children's books, flowers, rocks and other appealing items.

**PORTUGUESE LADY**—Looking as if she had stepped out of the pages of the past, a woman brings her child to the banks of the Tagus River in Belem to attend a religious ceremony. It was being held for the departure of her husband's sailing vessel. About 1,500 crewmen of 53 codfishing ships gathered for this year's blessing before leaving for Newfoundland.

**ARTISTRY A-PLenty**—Perched high atop a ladder, sculptor Marshall Fredericks, of Detroit, appears dwarfed as he puts some finishing touches to a giant statue in New York. The massive sculpture will be 32 feet when assembled. It is being constructed for a memorial fountain in Cleveland, Ohio, with funds raised for that purpose.

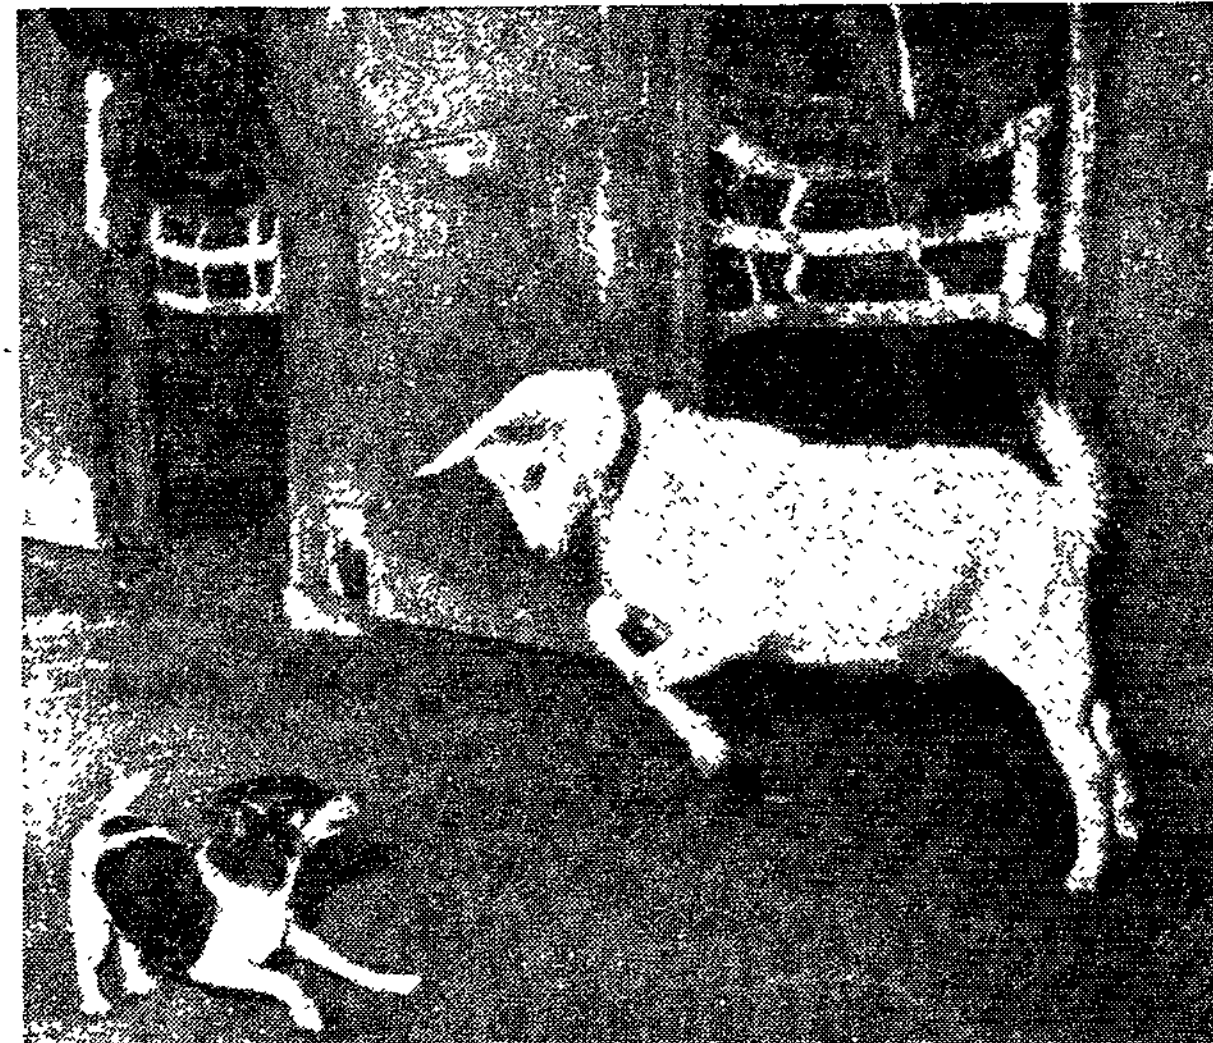

**SWEET TALK**—Honeycomb stitch, worked in honey-colored tones of wool and mohair, makes a striking knit sheath to stretch a spring wardrobe. The sleeveless sheath has a contrasting stand-away cuff collar and a narrow knotted belt.

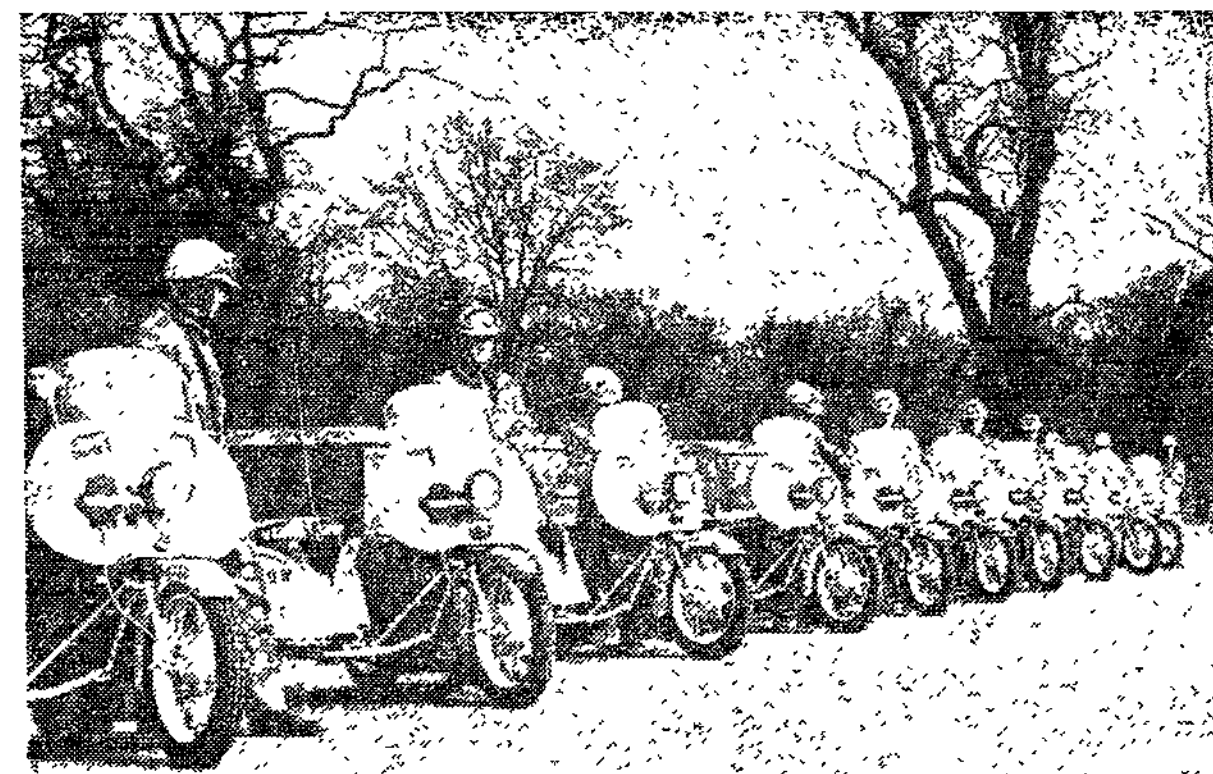

**VERY PERSONAL MESSAGE**—Maria Rossi got a greeting in Rome that brought an appreciative smile to her pretty features. Written on a real magnolia leaf in China ink, the translated message reads: "Best wishes to all and to Peter." Maria's got every reason to be happy with this original greeting.

**FREE ENTERPRISE**—A strolling artisan plies his trade on a street in Rome as a customer waits. It's a good way to have a chair seat repaired in a hurry, but there aren't many men left who follow this one's trade.

**THE TRESPASSER**—Billy, a goat, is acting more like a watchdog in a stable at Gulfstream Park, in Hallandale, Fla. When Lucky, a visiting dog, came to pay a call on some of the horses in the stable, Billy reared up and plainly showed Lucky that he wasn't wanted.

**RECEPTION COMMITTEE**—All set for the annual rush of tourists, members of the new road patrol are lined up with their motorcycles at Copenhagen, Denmark. The patrol will be spread throughout the country with the sole job of giving a helping hand to visitors.

**WITH LOVING HANDS**—A nun with a flair for machinery, Sister Ingrid, Sweden's first native Dominican nun, expertly handles a tractor in a field at Sodra Sandby, site of the first monastery built in Sweden since the 16th Century, left. When things get really rough, Sister Ingrid has to get off the tractor and go to work on large rocks, right.

**HOME AGAIN**—Singer Pat Boone and his wife Shirley arrived in New York from Hollywood to find it raining. Pat just finished his first movie out there and is on a personal appearance tour.

**BON VOYAGE!**—Before she left for her home in Berlin, lovely Marina Orschel, this year's "Miss Germany," was guest of honor at a party at the Waldorf-Astoria Hotel in New York. She's shown with singer Harold Ronk, ringmaster-soloist with the Ringling Bros. Barnum & Bailey Circus. Miss Orschel, who makes movies in her own country, had been on a tour of the U.S.

**PARIS CHAPEAU**—It seems that a young lady's fancy lightly turns to thoughts of hats in the spring, and little Martine Bayet is no exception in Paris. The six-year-old mademoiselle resembles a small Greek goddess as she tries on a glistening French Guardsman's helmet. Martine found it among an assortment of odds and ends at the annual scrap fair held in the French capital and she's quite pleased with it.

## Warren Kiwanians Planning Ladies' Night on May 15th

Several important announcements were made at the Wednesday luncheon-meeting of Kiwanis Club members, held in the YWCA activities building.

One report concerned the No. 2 Kiwanis Bowling Team, which has emerged champion of both first and second half for the Service League.

Members were also reminded of the importance of attending their regular meetings and were urged to be on hand May 8 to make reservations for the Ladies' Night to be held May 15 in conjunction with Rotary Club. Bob Anstadt urged that members "be on the ball" for future inter-club gatherings.

The program following the business session was in charge of the cancer chairman, Joseph Passaro, who is also program chairman for the month. A film on cancer stressed "danger signs" and the importance of yearly check-ups.

### TWO-TIME LOSER

Willis Alcorn, 45, of 111 West street, was ordered to spend 30 days in Chautauqua County Jail at Mayville and pay a fine of \$150 when he appeared in Jamestown City Court yesterday. Alcorn was apprehended Sunday night in Jamestown after police observed him driving in an "erratic manner" for the second time in just six days. First time Alcorn forfeited bail of \$300 when he failed to appear on charges of drunken driving and operating without a license. This time he received a \$150 fine for drunken driving including \$50 for operating with no license. Jail sentence will be minus four days already served.

Based on  
"USING YOUR BANK"  
by Dr. George L. Leffler,  
Professor of Finance, The  
Pennsylvania State University

Your bank can help you with a loan to finance the home repairs and additions which many home owners start making plans for at this time of year. These loans are made either on the bank's own plan or on "F.H.A." terms, under which the government insures or guarantees a part of the loan. In either case, they are generally known as "home improvement loans."

A very wide range of repairs, alterations and improvements to your home can be financed this way and you can do the work yourself or hire a contractor. Home improvement loans can be used for such comparatively simple things as wallpapering and painting, as well as for major improvements such as the addition of a new room or a garage.

In general, banks will make loans for any repair or addition which improves, or adds to the value of, the property concerned.

Fullmer with a series of punches, climaxed with a left hook to the head. Instead of retreating, the West Jordan, Utah, toughie tried to prove with a burst of his own that he wasn't hurt.

The fifth started with Fullmer pressing, but missing. Robinson moved in with a stiff right to the body. Sugar Ray drove another right to the body. Fullmer's guard dropped way down. Then Robinson whistled the left hook to the jaw.

Fullmer crumpled to the floor. He writhed and rolled as Referee Frank Sikora counted to 10. Gene finally struggled to his feet, but the fight was over.

This 140th victory—and his 91st knockout in 153 pro bouts since 1940—pointed Robinson for a meeting with welterweight champ Basilio probably at Yankee Stadium in mid-July, which could bring the biggest gate in ring history under the light heavy division.

Fullmer's manager Marv Jensen blamed his fighter's defeat on his desire to fight a "spectacular" battle.

"We kept warning him in the corner to keep high," said Jensen. The bewildered Fullmer said in his dressing room "that's the first time I ever got knocked out and I don't know how it happened."

All three officials had Fullmer ahead by a close 19-18 margin after four rounds.

The crowd was announced as 14,754 paid with a gross gate of \$158,643 and a net of \$124,647. That was sweetened by a \$100,000 radio-TV fee and the share to each fighter, on a 30-30 basis, was a total of \$67,394 apiece.

## Grayson's Scoreboard

LOUISVILLE—(NEA)—When Ben A. Jones trained his own horses on bush tracks 40 years ago, it was a case of win or go without dinner. Old B. A., as they call him, never missed a meal. Jones today is 74 and he is general manager of Calumet Farm, which takes enough money out of circulation to be considered a private agency against inflation. But he still is the ramrod straight horseman who always had to win.

The program for the 83rd running of the Kentucky Derby, May 4, at Churchill Downs lists son Jimmy Jones as Calumet's trainer for Gen. Duke and Iron Liege, but Plain Ben Jones is no spectator. He has won six Derbys, saw Fabius beat a length or so last year and now is holding two big cards. When Calumet's entry was being prepped at Lexington's Keeneland, you found Ben Jones in the stable's tack room as early as one cared to get there each morning.

"We put in more hours and more days and more weeks at the job, and it has paid off," the elder Jones says. "Right now I wouldn't trade our situation with anyone else's."

THE SITUATION, TO BE EXACT, consists of the hard-hitting Gen. Duke, winner of the Florida Derby, and Iron Liege, who was coming on so quickly at the end of that mile-and-an-eighth test that Sunny Jim Fitzsimmons, whose Bold Ruler is the only horse in Calumet's way, warns, "That colt was coming so fast I had to like him."

In the past, Plain Ben Jones has been known to fib a bit about his Derby chances, but there is no chance this year. The Jones boys did their pre-Derby training at Keeneland ("grass is blue, plenty of minerals in it, air's clear and horses thrive 'round here"). Iron Liege, the larger of the two colts, needed more conditioning, so he was sent out in a three-horse betless exhibition and equaled the track record of 1:22 for seven furlongs. Gen. Duke ambled leisurely behind.

REE-SWEATERED EXERCISE boys were on the track each morning following the Jones work prescription of brisk moves and long condition gallops.

Bill Hartack, the 24-year-old, two-time national riding champion, will be on Gen. Duke in the Derby and old B. A. wastes no words describing him.

"Our kind of job," Ben snorts. "Horses run for him and he wants to win more than anything else. Does it, too." Gen. Duke and Iron Liege are Bull Lea colts and as Sunny Jim Fitzsimmons observes, "Them Bull Leas is hell, son."

AROUND THE HARDBOOT country, it seems to be taken for granted that the devil's red and blue Calumet silks will be in the winning circle May 4.

The tip-off for this year's Calumet splurge should have come last year at a luncheon held before the Garden State, heavy-motored, two-year-old event in Camden, N.J.

Jimmy Jones was talking about Barbizon, the barn's entry. Somebody asked him about an obscure two-year-old colt which had run only twice and wasn't entered.

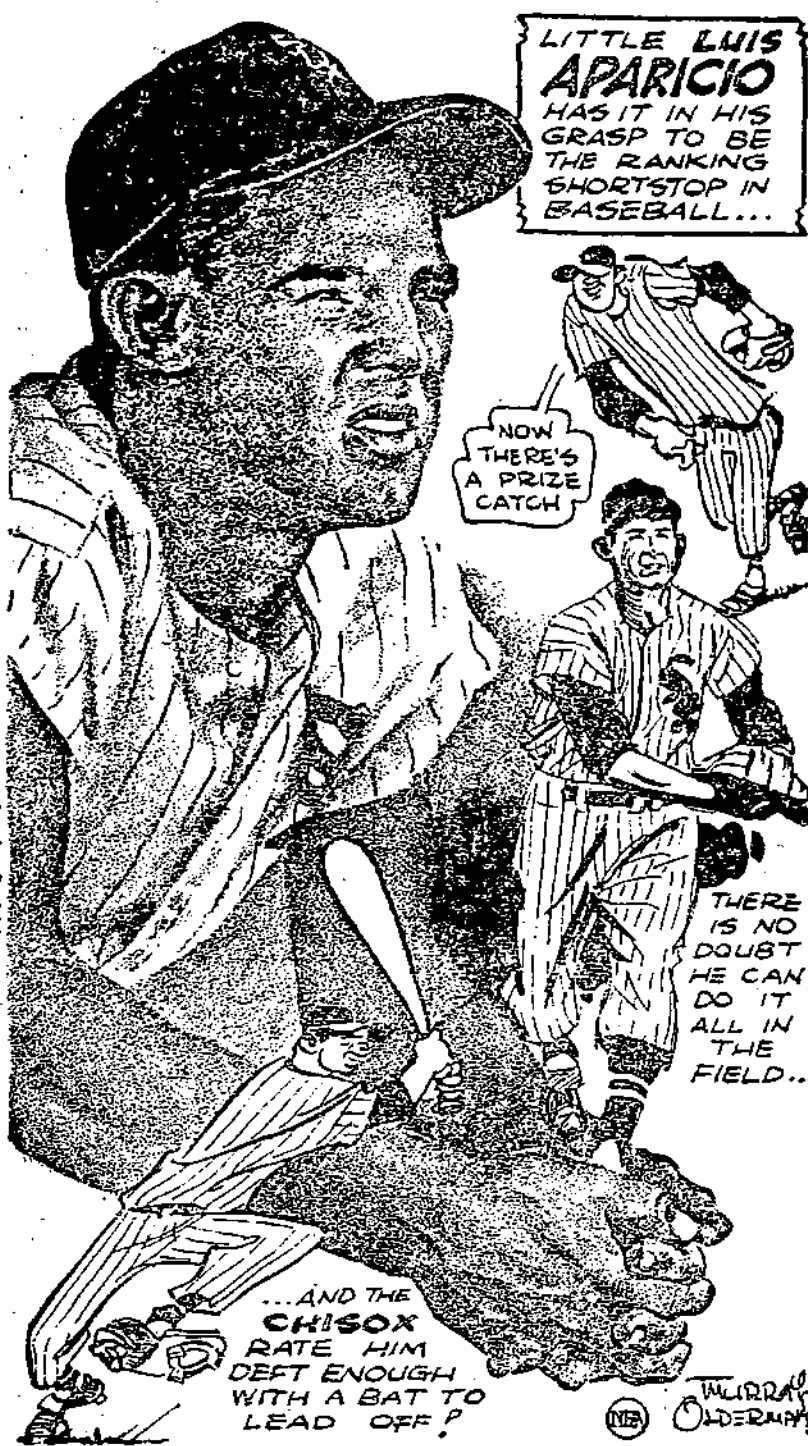

"Gen. Duke," Jimmy smiled. "He's not ready now but we kind of feel he'll be a good one soon."

Barbizon won.

Gen. Duke "kind of" developed—and Plain Ben Jones is, as usual, the center of attraction here.

## Large Squad Turns Out For Baseball Meeting at Y.M.C.A.

Baseball prospects for the Warren area this summer picked up perceptibly when 32 prospective players attended the meeting held at the Y.M.C.A. last evening.

"Diz" Hines, who will manage the Elk-sponsored team, which will represent the Warren State Hospital this season, playing on alternate Saturdays, was in charge. After the meeting he expressed himself as most enthusiastic over the large turnout and possibilities for another big season for the Warren Elks.

Hines called a practice session for Saturday afternoon at two o'clock, and he is hoping for a big squad for the session. He says he has prospects of having assistance from Nick Creola and Emmy Morrison.

Hines is hoping that most of last season's team will be out this year, including Reese, Campbell, Harrington, Gnage, Hultman, Cramer, Ghers and others.

The boys who attended last evening's meeting all appeared anxious to get into action, and there is prospects of some exciting competition for places on the team.

## Annual KOC Bowling Banquet To Be May 16

The annual K of C bowling banquet will be held Thursday evening, May 16, at 6:30 o'clock in the Council clubrooms, with Al Chiaramonte serving as toastmaster.

In a meeting to follow the serving, officers will be elected and the tentative schedule for next season will be planned.

Bowlers are urged to get their banquet reservations early by calling the clubrooms.

## Long Bids Farewell And Predicts Finer Days for Pirates

By JOE BRADIS

Pittsburgh (P) — "What did they expect, miracles?"

With that terse statement Dale Long, the idol of Pittsburgh Pirate fans last year, left the Steel City today for his new club, the Chicago Cubs.

Long, who set a major league record of hitting eight homers in eight consecutive games, was traded yesterday along with outfielder Lee Walls to the Cubs for first baseman Dee Fondy and third baseman Gene Baker.

A year ago Long was hitting at a 426 clip with five home runs and 10 runs batted in. Later in the month, on the 19th, he started his sensational home run binge and climaxed it with a curtain call after his record-breaking homer to the rear of a sellout crowd at Forbes Field.

There was no roar yesterday. And except for a few newspapermen, nobody saw Long leave Forbes Field. In the club house Long minced no words about Pittsburgh fans.

Said Long:

"What did they expect, miracles? Opening day they booed me. Everytime I struck out they booed me. They got me believing I was in a slump."

"When I started against the Cardinals Tuesday night it was like playing my first game. I was nervous. And who wouldn't be with boos ringing in your ear everytime you pick up a bat?"

"Regret leaving Pittsburgh? Hell, no, but I'm sorry to leave Bobby Bragan. I played for him for four years and owe him a lot. He's got a good outfit. They'll be going someplace."

The reaction to the trade by Walls, voted the outstanding rock-

## INDIAN STRIKEOUT ARTIST HEADS FOR A NEW RECORD BUT DOES NOT FINISH GAME

By JOE REICHER

The Associated Press  
Young Herb Score, Cleveland's sensational strikeout artist, appears primed to average at least nine strikeouts a game for the third consecutive season.

No other pitcher has had such an average in one season.

In 1955, as a rookie, Score averaged 9.58 strikeouts. In '56, it was 9.59. Now he is striking out batters faster than ever—10 a game.

The 23-year-old southpaw fanned a dozen in 6 1-3 innings yesterday before he was routed by Washington in the seventh but Cleveland fought back to nip the Senators 7-6.

The high-flying Chicago White Sox continued at full steam, rolling over Baltimore 9-3, increasing their first-place lead over runner-up Boston to two games.

The Red Sox, who had won six of seven on foreign soil, dropped a 7-5 decision in Kansas City. The New York Yankees whipped Detroit 7-4.

Milwaukee's Braves snapped back after Tuesday night's shut-out loss, defeating the New York Giants 5-1 in 10 innings to retain their one-game margin over Brooklyn. The Dodgers trounced Chicago 7-2 behind the seven-hit pitching of young Don Drysdale.

St. Louis whipped Pittsburgh 9-2 to take sole possession of third place. Wally Post singled in two runs in the top of the 16th inning to give the Cincinnati Redlegs an 8-6 triumph over the Philadelphia Phillies.

A single by Vic Wertz, scoring two of Cleveland's three runs in the seventh, gave the Indians their come-from-behind victory. In the upper half of the inning, Washington routed Score after he had held the Senators to one hit. Don Mossi relieved Herb and Milt Bolling greeted him with a three-run homer to give the Senators a temporary 6-4 lead. Ray Narleski, in relief, picked up his third victory without defeat.

Minnie Minoso drove across four runs with a double, two sin-

gles and a sacrifice fly for the White Sox to help Jack Harshman gain his third triumph without defeat.

Tony Kubek, the Yankees' brilliant rookie prospect, and Tommy Byrne, the veteran left-hander, teamed up to beat Detroit. Kubek hit his first major league home run, contributed two singles and scored twice. Byrne, an old Tiger nemesis, yielded but two hits in 4 2-3 runless relief innings to gain his first triumph.

Virgil Trucks turned reliever at 38, earned his third success for Kansas City without a defeat, limiting the Red Sox to two hits in 6 2-3 scoreless innings. Gus Zernial and Harry Simpson drove in five runs between them for the winners. Each had a home run and a single. Ted Williams hit his fifth homer for Boston.

## Stan the Man Off to a Great Beginning; Hits at .500 Clip

By The Associated Press

Off to one of his best starts in his 16-year major league career, Stan Musial of the St. Louis Cardinals holds an early but commanding lead in the National League batting race.

The 36-year-old first baseman is more than 100 points in front of his closest competitor, Joe Adcock of Milwaukee. Musial is hitting an even .500 with 18 hits in 36 times at bat. Adcock's average is .394.

Musial, who has won six National League championships, normally starts slowly each spring. In his first 36 times at bat a year ago he had nine hits for a .250 mark. In 1955, Stan had eight hits in as many trips and in 1952, 1953 and 1954 he had 11 safeties, seven fewer than he's compiled this season.

Ted Williams of Boston, four-time American League batting title holder is pacing his circuit with a .395 average. The Red Sox slugger's position, however, is far from secure. Gil McDougald of the New York Yankees and Nellie Fox of the Chicago White Sox are close unscramblers with .368 marks.

## Youngsville Wins Triangular Meet Yesterday by 18

Youngsville High School trackmen finally came up with victory No. 1 yesterday afternoon so they put on a brilliant display to take eight first places and the triangular meet at Smethport, with Ridgeway playing third man.

Youngsville amassed 74½ points. Smethport garnered 56½ and Ridgeway had to be content with 17.

## Tennis Season Is Opening on Most Courts in the Area

Tennis season made its formal entry on the school sport scene Wednesday afternoon as teacher John Leathers began his after-class instruction on the Beatty Field courts, still sans nets.

From now until school recesses, approximately 100 Beatty School students will be given half-hour courses of instruction from 3:15 to 5:15 p. m. on Monday, Wednesday and Friday, while about 50 high school pupils will receive instruction at the same hours on Tuesdays and Thursdays.

Court director Fred Bell said the oft postponed erection of nets would probably take place by Friday. This has been held up, he said, because the smoother blacktop layer applied last fall covered up the markings. Courts are now being surveyed and nets should finally be up by Friday. After that courts will be reserved on the hour, said Bell. Evening play will begin when ordered lights arrive.

At YMCA, general secretary Dan Walton reports a slight delay in ordering of a front net but this should arrive by the first of next week and then times will be replaced by tennis balls on the present parking lot.

Courts are already in full swing at Sheffield and Wilder Field with State Hospital expected to ready courts there shortly.

## Stream Stocking Report for Period April 29 to May 4

Following is the weekly release from the office of the Allegheny National Forest regarding stream conditions and stream stocking in the area:

Reference is made to our letter of April 24 in which we advised you that weekly bulletins of stream conditions and stream stocking would be furnished. During the week of April 29 to May 4 the following streams on the Allegheny National Forest were stocked by the Federal Fish and Wildlife Service and the Pennsylvania Fish Commission under the new Cooperative Program: Sugar Run, Willow Creek, Two Mile Run, Tionesta (Main), East Branch of Tionesta, Salmon Creek, North Branch Sugar Run, Kinzua Creek, South Branch Kinzua, West Branch Millstone, Lewis Run.

Our District Forest Rangers report that all streams on the National Forest at this time are clear and at normal spring level and barring a rise in stream levels fishing conditions for the weekend and following week should be good.

The following streams were stocked between opening day and April 24: Smethport Run, Four Mile, South Branch Tionesta, Bear Creek, Blue Jay, West Branch Tionesta, Big Mill Creek.

## Bold Ruler Installed As Pre-Derby Favorite

Longville, Ky. (2)—Cold Ruler, the long-sleeved dark bay colt from Mrs. H. C. Phipps' Wheatley Stable, today became the probable favorite for the \$12,000 added Kentucky Derby Saturday.

The question of whether he is injured and a rival Gen. Duke of Calumet farm will start remained unanswered.

Gen. Duke, who broke even with Bold Ruler in four Florida races and set a world record for a mile and one eighth in the Florida Derby, first showed signs of the injury hours after he finished a disappointing second to Clifford Lussky's Federal Hill in Tuesday's Derby Trial.

## Cardiac-in-Industry Program Is Discussed

Warren and McKean County Heart Association officials held a joint meeting last evening in the Blue and White Restaurant to discuss a proposed Cardiac-In-Industry program to be carried out in October.

Representing the neighboring county were Thom Williams, president; Dr. Abraham Dury, program chairman; Fran Sortman, personal department of the Kendall Refining Company; Harry Huntington, vice president of Barnsdall Printing Company; and Mrs. Jane Richards, executive secretary of the McKean County Heart Association.

## 'Patronage Dispenser' Named in Erie Dispute

Harrisburg (P)—Atty. James G. Hanes, Erie, served today as principal Democratic state patronage dispenser for Erie County.

Sen. Joseph M. Barr, Democratic state chairman, designated Hanes for that role yesterday in an attempt to resolve a factional fight within the county Democratic organization.

Alden Phelps, Waterford, is Erie County Democratic chairman but Hanes and Mayor Arthur Gardner of Erie have disagreed with Phelps' policies.

Barr described Hanes as possessing "an exceptional knowledge of the party's principles."

## FIRST FATALITY IN NICARAGUA

Managua, Nicaragua (P)—President Luis Somoza and other top Nicaraguan officials held emergency talks throughout the night on the first fatal clash reported in Nicaragua's bitter border dispute with Honduras.

Somoza, who took office yesterday for a six-year term, told an inauguration audience of 45,000 that Honduran forces attacked the village of Mocoron in the frontier zone, killing 25 Nicaraguan soldiers. Officials later said 35 Nicaraguans had been killed.
